"May be the best book ever written about jazz."—David Thomson, Los Angeles Times In eight poetically charged vignettes, Geoff Dyer skillfully evokes the music and the men who shaped modern jazz. Drawing on photos, anecdotes, and, most important, the way he hears the music, Dyer imaginatively reconstructs scenes from the embattled lives of some of the greats: Lester Young fading away in a hotel room; Charles Mingus storming down the streets of New York on a too-small bicycle; Thelonious Monk creating his own private language on the piano. However, music is the driving force of But Beautiful, and wildly metaphoric prose that mirrors the quirks, eccentricity, and brilliance of each musician's style.

Lester Young fading away in a hotel room; Charles Mingus storming down the streets of New York on a too-small bicycle; Thelonius Monk creating his own private language on the piano. . . In eight poetically charged vignettes, Geoff Dyer skilfully evokes the embattled lives of the players who shaped modern jazz. He draws on photos and anecdotes, but music is the driving force of But Beautiful and Dyer brings it to life in luminescent and wildly metaphoric prose that mirrors the quirks, eccentricity, and brilliance of each musician's style.

Paris, and maybe moving in with his girlfriend in Rome, or perhaps traveling around for a while. *Out of Sheer Rage* is Dyer's account of his struggle to write the Lawrence book--a portrait of a man tormented, exhilarated, and exhausted. Dyer travels all over the world, grappling not only with his fascinating subject but with all the glorious distractions and needling anxieties that define the life of a writer.

In this spellbinding book, the man described by the Daily Telegraph as 'possibly the best living writer in Britain' takes on his biggest challenge yet: unlocking the film that has obsessed him all his adult life. Like the film *Stalker* itself, it confronts the most mysterious and enduring questions of life and how to live.

Great photographs change the way we see the world; *The Ongoing Moment* changes the way we look at both. Focusing on the ways in which canonical figures like Alfred Stieglitz, Paul Strand, Walker Evans, André Kertész, Edward Weston, Dorothea Lange, Diane Arbus, and William Eggleston have photographed the same things—barber shops, benches, hands, roads, signs—award-winning writer Geoff Dyer seeks to identify their signature styles. In doing so, he constructs a narrative in which these photographers—many of whom never met—constantly encounter one another. The result is a kaleidoscopic work of extraordinary originality and insight.

In *This Beautiful Book*, Steve Green - founder of The Museum of the Bible - highlights life-changing themes woven through the mosaic of the Bible's various stories, reveals a new way to engage Scripture as a whole, and inspires deep appreciation for the Bible's connection to your life. The most popular and culture-shaping text in the world, the Bible is still the least understood book of all time. The Bible's collection of history, poetry, genealogy lists, and mystifying prophecies often prove puzzling to readers. And when this text is read in pieces, we're left with only a half-impression of the vibrant mosaic. *This Beautiful Book* highlights the thematic threads woven throughout the ancient writings and shows us a new way to engage with Scripture as a whole. Through insights gained from firsthand experiences in leading and developing the first world class Bible museum, Green invites readers to step back from the individual stories of the Bible and consider the Bible as a whole. He reveals the completeness, connection, and transformative power of Scripture. Along with stunning retellings of biblical stories, Green helps readers see the story within the story, and draws the careful connections that help us appreciate the richness of the Bible story as a single story. Each page will spark or embolden your faith in a God who speaks to us across the centuries. A truly captivating experience, this book will instill in you a deep appreciation for Scripture and its profound connection to your own life story.
