Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery."

I ISAAC TAKE THEE REBEKAH: Amazon.co.uk: Zacharias, Ravi ...

I love this book. Dr. Ravi presents the beauty and realities of marriage through the story of Isaac and Rebekah. Marriage is God's design and a gift to both man and wife. This is worth reading especially to those who want to get married and those newly weds.

Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery."

I, Isaac, Take Thee, Rebekah by Ravi Zacharias | Fast ...

Ravi uses the biblical account of Isaac and Rebekah in genesis as biblical evidence for his arguments about necessary behaviors, practices, and beliefs in marriage. Although I'm not yet married, I found that many of his points were also applicable for any sort of friendship. flag 4 likes · Like · see review

In the twenty-fourth chapter of Genesis a beautiful young woman offers assistance to a weary traveler and his camels, and out of that simple action, a marriage results—a marriage that offers profound lessons to couples today. Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery." Building upon that foundational truth, Zacharias goes on to explain the principles of seeking the counsel of others when finding a mate, cherishing your partner, remaining pure, becoming a man or woman of prayer, and, finally, risking everything in a relationship in order to experience God's ideal for love. Couples everywhere, from those about to be married, to those who have been married for decades, will draw strength and wisdom for the journey of marriage as they learn from Ravi what it means to move from romance to lasting love.

WHY versus WHY NOT? Why did God place us in a world full of pleasures if we aren't meant to pursue them all? In an imaginative dialogue, Oscar Wilde asks Jesus Christ to respond to this question about critical lifestyle choices. Their talk vividly illustrates the arguments for both sensual pleasure-seeking and moral moderation. Playwright, dramatist, poet, critic—Wilde openly defied the mores of Victorian society. His literary repartee fueled an "if it feels good, do it" humanistic philosophy that is still prevalent in the world today. SO WHAT does JESUS SAY?

Anand and his sister Asha agree to exchange their collections of marbles and candy, but Anand tries to keep some of his marbles and must then ask for forgiveness from both his sister and Jesus.

Men of Fearless Faith Meet men who have used their God-given talents to live out their faith to the fullest. They come from a variety of backgrounds, eras, and ethnicities, but each one has answered the Lord's call on their life in bold and innovative ways. Children of all ages will be inspired by the stories of C.S. Lewis—professor and author of the influential Chronicles of Narnia series Zhang Boli—Chinese dissident, journalist, and Christian pastor Richard Allen—former slave and founder of the African Methodist Episcopal Church Tim Tebow—athlete, Heisman trophy winner, and outspoken follower of Christ Father Damien—priest who dedicated his life to helping lepers in Hawaii These and the 45 other defenders of the faith featured in this book have made a profound impact on the world around them, and in many cases changed the course of history. Strong, smart, and sometimes outspoken, these men are tremendous examples of God's love in action. These inspiring profiles will captivate kids' imaginations and encourage them to discover their own gifts and how they can use them to glorify God.

How differently would we live if we believed that every dimension of our lives---from the happy to the tragic to the mundane---were part of a beautiful and purposeful design in which no thread were wrongly woven? That's what best-selling author and internationally-known apologist, Ravi Zacharias, explores in *The Grand Weaver*. As Christians, we believe that great events such as a death or a birth are guided by the hand of God. Yet we drift into feeling that our daily lives are the product of our own efforts. This book brims with penetrating stories and insights that show us otherwise. From a chance encounter in a ticket line to a beloved father's final word before dying, from a random phone call to a line in a Scripture reading, every detail of life is woven into its perfect place. In *The Grand Weaver*, Dr. Zacharias examines our backgrounds, our disappointments, our triumphs, and our beliefs, and explains how they are all part of the intentional and perfect work of the Grand Weaver. Also available: unabridged audio CD.

Encounter Jesus Like Never Before through Eastern Eyes Throughout these pages, Ravi Zacharias and Abdu Murray invite readers to rediscover the cultural insights we often miss when we ignore the Eastern context of the Bible. They offer a refreshing picture of Jesus, one that appeals to Eastern readers and can penetrate the hearts and imaginations of postmodern Westerners. In *Seeing Jesus from the East*, Ravi Zacharias and Abdu Murray show us why a broader view of Jesus is needed - one that recognizes the uniquely Eastern ways of thinking and communicating found in the pages of the Bible. Zacharias and Murray capture a revitalized gospel message, presenting it through this Eastern lens and revealing its power afresh to Western hearts and minds. Incorporating story, vivid imagery, and the concepts of honor and shame, sacrifice, and rewards, *Seeing Jesus from the East* calls believers and skeptics, both Eastern and Western, to a fresh encounter with the living and boundless Jesus.

One of the greatest defenders of faith answers penetrating questions about the meaning of life and the existence of a God who is there for his children, inviting readers on a journey through his life--from East to West and then back again. 85,000 first printing. \$40,000 ad/promo.

In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to be true. In the name of "tolerance," our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. *Jesus Among Other Gods* provides the answers to the most fundamental claims about Christianity, such as: Aren't all religions fundamentally the same? Was Jesus who He claimed to be? Can one study the life of Christ and demonstrate conclusively that He was and is the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. "In *Jesus Among Other Gods*, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith. Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition." — David Aikman, author of *Great Souls*

In 2006, Ravi Zacharias International Ministries (RZIM) held an open forum at the Fox Theater in Atlanta to address the subject: "Has Christianity Failed You?" Tickets were sold for the event and--to the complete surprise of everyone--the event was sold out with a capacity crowd of over 5,000. People lined up offering to buy tickets from folks in line for higher prices. Before the event, an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time. One answered that, because of a Christian's rejection of his gay lifestyle he had done just that. Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church. Others had their own reasons. Some said it was just intellectually untenable in an age of reason. They chose to come to the event to judge if there were adequate answers. It is estimated that for every one person who writes a letter or attends an event, there are one thousand who agree. If the Atlanta crowd was any indication, the question is real and troubling. Why is it that many live with silent doubt, many leaving the "evangelical fold" for something else? Is there something wrong with the message, the communicator, the hearer . . . or is it all three? It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing. In fact, the son of a prominent US Senator phoned me with that very question. "Why has God made it so hard to believe in Him?" Such skepticism is not just representative of the hostile; it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so. More to the point: Why it is actually so hard to deny God and still make sense out of life? In the end the answers should be both felt and real, with the added truth that God is nearer than you think. He desires that we sense Him very near to us and not distant. But closeness comes at a cost just as any relationship of love and commitment does.

Why would a loving and powerful God allow so much pain and suffering? In *WHY SUFFERING?* Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. The cross is the key to a compelling and rational explanation for trusting in God in the face of suffering. In comparison with other world religions, the Christian response is highly distinctive. The reality of evil only makes sense in light of the reality of divine goodness. Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. God's decision to allow temporal suffering is understandable when viewed from an eternal perspective. Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. *WHY SUFFERING?* provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.
