The new multi-level exam preparation series for Cambridge ESOL exams which inspires students to better exam results.

The new multi-level exam preparation series for Cambridge ESOL exams which inspires students to better exam results.

The new multi-level exam preparation series for Cambridge ESOL exams which inspires students to better exam results.

This popular CAE course has been revised according to the December 1999 specifications.

This workbook is designed to accompany Focus on Advanced English CAE, providing thorough grammar practice, supplementary vocabulary exercises and regular progress tests. The 14 units in the workbook correspond to each unit in the parent text, providing students with further practice in the grammar and vocabulary necessary at this level. The book can also be used as a free standing workbook for anyone preparing for the CAE.

Learn to Read Latin helps students acquire an ability to read and appreciate the great works of Latin literature as quickly as possible. It not only presents basic Latin morphology and syntax with clear explanations and examples but also offers direct access to unabridged passages drawn from a wide variety of Latin texts. As beginning students learn basic forms and grammar, they also gain familiarity with patterns of Latin word order and other features of style. Learn to Read Latin is designed to be comprehensive and requires no supplementary material. It explains English grammar points and provides drills especially for today's students. It offers sections on Latin metrics and includes numerous unaltered examples of ancient Latin prose and poetry. It incorporates selections by authors such as Caesar, Cicero, Sallust, Catullus, Vergil, and Ovid, presented chronologically with introductions to each author and work. It offers a comprehensive workbook that provides drills and homework assignments. This enlarged second edition improves upon an already strong foundation by streamlining grammatical explanations, increasing the number of syntax and morphology drills, and offering additional short and longer readings in Latin prose and poetry.
