The Cambridge Annotated Study Bible (CASB) certainly leaves matters of interpretation to the reader. But, quite frankly, the annotations are not in the same league as the New Oxford Annotated or the HarperCollins Study Bible. More often than not, the annotations just sum up the section to which they apply.

Cambridge NRSV Reference – Overview To say I was pleasantly surprised when this Bible arrived would be an understatement, because I was truly stunned. The cowhide leather is as soft and floppy as any goatskin Bible I own, and the texture is incredibly smooth. The aesthetic touches are subtle and understated, but very well done.

The New Revised Standard Version (NRSV) is an English translation of the Bible published in 1989 by the National Council of Churches. It is a revision of the Revised Standard Version, which was itself an update of the American Standard Version.

First published in 1989, the New Revised Standard Version is an extremely accurate and up-to-date translation of the Bible. Translated by a team from several different denominations, it is a version accepted by all Christian traditions. The Cambridge Annotated Study Bible was edited by the internationally recognised biblical scholar, Dr Howard Clark Kee. It incorporates all the information that a modern student of the Bible will need: • an introduction to the history and content of the Bible as a whole • introductions to each book, drawing out the themes within them • cross-references to related biblical passages • the verse-by-verse annotations of Dr Kee • a glossary of significant names and words • a synopsis of the Gospels • tables of chronology and measures • full colour maps and gazetteer

One of the fullest explanations ever given of the Apocryphal/Deuterocanonical books. Includes introductions to the Apocrypha as a whole, and to each book, authoritative verse-by-verse annotations, and more!

The NRSV rendering preserves all that is best in the English translation of the Apocryphal/Deuterocanonical texts. The Cambridge Annotated Study Apocrypha incorporates many advances in textual understanding gained from archaeological and linguistic investigations. The result is a clear and comprehensive collection of some of the most interesting texts in biblical literature. Widely acclaimed when first published in 1994, this reprinted facsimile edition will be of interest to students of the Bible wishing to gain deeper insights into the scriptures and to the general reader intrigued by these 'hidden texts'.

Cambridge now offers its two remarkable and comprehensive NRSV Bible study tools together, shrink-wrapped as a pack and attractively priced. The Cambridge Annotated Study Bible and the Cambridge Annotated Study Apocrypha, both edited by the internationally recognised biblical scholar Howard Clark Kee, have already met with critical acclaim. They incorporate all the information a modern student of the Bible will need: • general introduction to the history and content of the Bible as a whole • introductions to each book, drawing out the themes within them • comprehensive cross-references to related biblical passages • verse-by-verse annotations on every page • a glossary of significant names and words • a synopsis of the Gospels • tables of chronology and measures • maps and plans

Edited by Bruce Manning Metzger and Roland E. Murphy Detailed, updated annotations Extensive essays and book introductions Textual notes Larger pages with wide margins 36 pages of full-color maps with index Essay by Metzger on how to use Annotated Bible Smyth-sewn 7 X 9 1/4 % Font size: 9

The Cambridge NRSV Reference Edition has established itself as an excellent Bible for study, with cross-references, maps and an extensive glossary. Using the original American text of the NRSV, the Bible text is attractively laid out, with generously sized type and line spacing. There are section headings and translators' footnotes throughout. Previously only available in an edition including the Apocrypha, this Bible presents the Old and New Testaments. It is bound in French Morocco leather, with gilt page-edges.

Timeless. Empowering. Inspired. True. The Holy Bible is the Word of God for the people of God, whose task it is to bear witness to the work of God in the world. For generations, this book has served to define the identity of the church and shape its mission. Taken together, the Old and New Testaments tell the story of a God who creates, calls, and covenants with people, a God who makes all things new. At the heart of this story is the person of Christ, the one in and through whom Christians read all Scripture. The Baylor Annotated Study Bible represents a monumental collaborative effort, bringing together nearly seventy biblical scholars--Baylor faculty, graduates, affiliates, and friends--to refresh our view of the sacred texts. Each of the sixty-six canonical books of the Protestant Bible is given an introduction and commentary intended to immerse readers in the literary, sociohistorical, and theological depths of Scripture. In addition, the intercommunication and echoes between the biblical books are exhibited through a rich assemblage of cross-references. Rounding out this indispensable study aid are a biblical timeline, glossary of terms used in the introductions and commentaries, concordance to the New Revised Standard Version translation, and full-color maps. A reliable companion for both personal and classroom study, the Baylor Annotated Study Bible follows in the long-standing mission of Baylor University: to serve as a faithful witness to the liberating, transformative good news of the gospel. Just as Baylor stands astride the realms of church and academy, so the Baylor Annotated Study Bible joins Christian conviction with scholarly rigor to provide a unique and accessible guide for all students of the Christian Scriptures and all followers of Christ. Let the tools provided here lead to an engagement with God's Word that enlightens, enriches, and encourages.

The English Standard Version Bible captures as far as possible the precise wording of the original biblical text and the personal style of each Bible writer, while taking into account differences of grammar, syntax, and idiom between current literary English and the original languages. The ESV thus provides an accurate rendering of the original texts that is in readable, high quality English prose and poetry. This Bible has been growing in popularity among students in biblical studies, mainline Christian scholars and clergy, and Evangelical Christians of all denominations. Along with that growth comes the need for the books of the Apocrypha to be included in ESV Bibles, both for denominations that use those books in liturgical readings and for students who need them for historical purposes. More Evangelicals are also beginning to be interested in the Apocrypha, even though they don't consider it God's Word. The English Standard Version Bible with the Apocrypha, for which the Apocrypha has been commissioned by Oxford University Press, employs the same methods and guidelines used by the original translators of the ESV, to produce for the first time an ESV Apocrypha. This will be the only ESV with Apocrypha available anywhere, and it includes all of the books and parts of books in the Protestant Apocrypha, the Catholic Old Testament, and the Old Testament as used in Orthodox Christian churches. It will have a lovely pre-printed case binding, and will include a full-color map section, a table of weights and measures used in the Bible, and many other attractive features. The English Standard Version Bible with Apocrypha is certain to become the preferred Bible in more conservative divinity schools and seminaries, where the Apocrypha is studied from an academic perspective. And it answers the need of conservative Christians in general for a more literal version of these books.

The Cambridge NRSV Reference Edition has established itself as an excellent Bible for study, with cross-references, maps and an extensive glossary. Using the original American text of the NRSV, the Bible text is attractively laid out, with generously sized type and line spacing. There are section headings and translators' footnotes throughout. This Bible includes the Apocrypha, or Deuterocanonical Books.
