The year covered includes a mammoth nine-month Spinal Tap-esque tour where "Little Britain" goes in search of Great Britain. This milestone book offers an unrivaled close-up of a classic British comedy act, as it happens, at the height of its powers. It covers their childhoods, family life, and early comedy performances as they found their feet; their complex friendship and working relationship; and the increasingly insane world they now inhabit. Mixing memoir and travelogue to paint an engrossing portrait of fame and comic genius, "Inside Little Britain" is a candid look inside the celebrity bubble in all its glamour and awfulness.
