The awareness of environment protection is a great achievement of humans; an expression of self-awareness. Even though the idea of living while protecting the environment is not new, it has never been so widely and deeply practiced by any nations in history like it is today. From the late 90s in the last century, the surprisingly fast dev

Crazy weather, crazy artists, organized crime, and digital wizardry all play a role in a murder mystery that could only happen in the Hamptons. It's the worst winter on record. Jackie Swaitkowski has made the transition from lackadaisical, pot-smoking real-estate lawyer to obsessive, pot-smoking criminal defense attorney. And now, not only are there blizzards to contend with, her ne're-do-well client is headed for a first-degree murder rap. The case pulls Jackie reluctantly back into her late husband's extended, and famously outrageous, family. Complicating matters is a handsome journalist whose interest in Jackie exceeds the professional. Ice Cap marks the return of Jackie Swaitkowski, outlandish
