Get your best grade with this guide to Higher Business Management for CIE. This book contains all the advice and support you need to revise successfully for your Higher exam (for CIE). It combines an overview of the course syllabus with advice from a top expert on how to improve exam performance, so you have the best chance of success. - Refresh your knowledge with complete course notes - Prepare for the exam with top tips and hints on revision techniques - Get your best grade with advice on how to gain those vital extra marks

The comprehensive textbook for the new CIE Higher in Business Management. Peter Hagan and Alistair Wylie's Higher and Intermediate 2 Business Management 2nd Edition has been the benchmark textbook resource for for nearly ten years. This new book provides full and authoritative coverage of the newest Higher syllabus offered by SQA, with whom we are working towards endorsement of this title. - fullest coverage of the new CIE Higher - includes Coursework material and advice - highly experienced author, teacher and examiner

An easy-to-use guide designed to take students through each stage of their studies and achieve the best possible results in the new CIE higher business management qualification.

We are working with SQA to gain endorsement for this straightforward guide to all five core areas of the latest syllabus. - Written by an experienced author and examiner - Offers an innovative approach and layout in-line with CIE approaches to learning - Provides a wide range of classroom and homework activities

The CIE Higher Business Management Course Notes helps teachers and students map their route through the CIE programme, providing comprehensive and authoritative guidance for the course. Course Notes give a practical, supportive approach to help deliver the new curriculum and offer a blend of sound teaching and learning with assessment guidance.

The only textbook to concentrate on the three most popular options in Unit 3 of the CIE Higher Geography course, fully endorsed by SQA. This book is a complete guide to the most popular options in the Global Issues Unit of the Higher Geography course, which accounts for 30% of the marks in the external examination. - Blends theoretical content and processes with detailed guidance on practical aspects - Offers geographical perspectives on environmental and social issues and their significance - Encourages students to interact with their environment and develop an interest in, understanding of, and concern for the environment and sustainable development - Provides exam style questions in every chapter and new, contemporary case studies and exemplars for a fresh and inspirational examination of well-known geographical themes The three topics covered are River Basin Management, Development and Health and Global Climate Change. A companion volume, Higher Geography for CIE: Physical and Human Environments, provides material for Units 1 and 2 of the course.
