Written by Bruce Hopkins, the foremost expert on nonprofit law, this is your complete analysis of the procedures and practices of the IRS in its audits of tax-exempt organizations. Practical in presentation, this book offers advice on undergoing audits, details today's exempt organizations' issues, and authoritatively examines detailed documentation and citations, as well as numerous case studies, tips, forms, and checklists.

A comprehensive guide to understanding the theory and implications of constitutional law as it relates to tax-exempt organizations. Although the U.S. Constitution does not make any reference to nonprofit organizations—not surprising, since the Constitution is not a framework for the structure of the entirety of U.S. society—the Supreme Court has effusively shaped nonprofit law. Now, leading

practical tips and hard-to-find, authoritative advice, *Nonprofit Law Made Easy* demystifies complex legal issues with plain-language explanations of laws and regulations for non-legal professionals.

"Although this sounds like a horrendous conceit, I marvel at this book. More accurately, I marvel at the expanse of this book. The very title suggests a subject that ought to be summarized in a pamphlet: *The Tax Law of Charitable Giving*. The principal reason for my amazement: How can something as seemingly simple and innocent as charitable giving generate so much law? It is, I suppose, a hallmark of our society; matters of law are quite complicated in the United States, and this includes the matter of the tax law consequences of transferring money and property to charitable organizations"--

*The Tax Law of Charitable Giving, Fourth Edition* is completely revised, revamped, and updated. Written in plain English, it can help lawyers, managers, and development directors in tax-exempt organizations make sure they are up to date on all current regulations pertaining to charitable gifts. Detailed documentations and citations are provided. As well, references to regulations, rulings, cases, and tax literature are included. Professionals can ensure they are well prepared to make decisions about their organization's fund-development program with this guide.
