Investigatory Project

An investigatory project is basically any science experiment where you start with an issue or problem and conduct research or an investigation to decide what you think the outcome will be. After you've created your hypothesis or proposal, you can conduct a controlled experiment using the scientific method to arrive at a conclusion.

This Book Has Been Especially Written For Class Xii Students Under 10+2 Pattern Of Education According To The Syllabi Prescribed By The Cbse And Other States Boards. This Book Will Help The Students In Acquiring Correct Skills In Practicals And Various Techniques Of All Laboratory Experiments. Salient Features *

- * An Introduction To The Book Is Given.
- * This Describes The Laboratory Apparatus And Instructions And Precautions For Working In The Laboratory.
- * Simple Language And Lucid Style.
- * Adequate
