goers, music students and music lovers. The chords of the harmony are indicated, and lyrics, in the original language, are included where appropriate.

For keyboard players of all levels. Fake books are used by professional musicians at cocktail lounges, weddings, and many other performing situation. They are invaluable because they contain a thousand or more songs in one compact volume. But in order to use them one must know how to look at a kind of musical shorthand--a skeleton of each song which gives only melody, lyrics and chord symbols--and "fake" a full accompaniment. Now, anyone can! This book will teach you how to play any chord

symbol you will find in pop, jazz or rock; how to create stylish arrangements on your own; and how to sound like a "pro" even when reading sheet music for the first time. Topics include bass lines, counter-melodies, intros and endings, rhythmic patterns, and embellishing a melody.--From publisher description.

(Fake Book). The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed without any copyrights or royalties paid to the master composers who created these musical canons. Hal

Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference...the covers look the same, the engravings look the same, the songlist is nearly identical, and the price remains fair even on a musician's salary! But every conscientious musician will appreciate that these books are now produced legally and ethically, benefitting the songwriters that we owe for some of the greatest music ever written! 400 songs, including: Air Mail Special * Birdland * Bye Bye Blackbird * Caravan * Doxy * Fly Me to the Moon (In Other Words) * Georgia * Girl Talk * I Remember You * I Thought About You * In Walked Bud * The Jodi
