"It's easy to feel a sense of peace after completing Fawzia Gilani's Cinderella. This humble version of the classic fairy tale is a gentle reminder that victory comes as much from a peaceful soul as a beautiful dress and a dramatic confrontation." - Luxury Reading Cinderella is one of the oldest, best-known, and most loved stories worldwide, with hundreds of cultural variants and re-tellings from ancient Egypt and China to the present day. In this version we follow the trials and tribulations of the sweet, gentle, and pious Zahra when her parents die and she is left at the mercy of an uncaring stepmother and stepsisters. This is a well-crafted Islamic version of the classic tale in which faith, goodness, and prayer are rewarded in the end. The charming, richly detailed illustrations of Shireen Adams, set in medieval Andalusia, help bring the text to life.

Experience the timeless classic, Cinderella, with this 8 x 8 storybook and read-along CD that features the voices of the beloved characters from the film as well as dazzling sound effects! The word-for-word narration will also help build vocabulary and encourage independent reading. NOTE: Original Read-Along CD ISBN from ToyBox Innovations edition: 0-7634-2171-5

Mufaro was a happy man. Everyone agreed that his two daughters were very beautiful. Nyasha was kind and considerate as well as beautiful, but everyone -- except Mufaro -- knew that Manyara was selfish, badtempered, and spoiled. When the king decided to take a wife and invited "The Most Worthy and Beautiful Daughters in the Land" to appear before him, Mufaro declared proudly that only the king could choose between Nyasha and Manyara. Manyara, of course, didn't agree, and set out to make certain that she would be chosen. John Steptoe has created a memorable modern fable of pride going before a fall, in keeping with the moral of the folktale that was his inspiration. He has illustrated it with stunning paintings that glow with the beauty, warmth, and internal vision of the land and people of his ancestors.

OF COURSE you think Cinderella was the sweetest belle of the ball. You don't know the other side of the story. Well, let me tell you...

Hace mucho tiempo--a long time ago--there lived a beautiful young woman named Adelita. So begins the age-old tale of a kindhearted young woman, her jealous stepmother, two hateful stepsisters, and a young man in search of a wife. The young man, Javier, falls madly in love with beautiful Adelita, but she disappears from his fiesta at midnight, leaving him with only one clue to her hidden identity: a beautiful rebozo--shawl. With the rebozo in place of a glass slipper, this favorite fairy tale takes a delightful twist. Tomie dePaola's exquisite paintings, filled with the folk art of Mexico, make this a Cinderella story like no other.

Once upon a planetoid, amid her tools and sprockets, a girl named Cinderella dreamed of fixing fancy rockets. With a little help from her fairy godrobot, Cinderella is going to the ball. But when the prince's ship has mechanical trouble, someone will have to zoom to the rescue! Readers will thank their lucky stars for this irrepressible fairy tale retelling, its independent heroine, and its stellar happy ending. Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

In this Algonquin Indian version of the Cinderella story, the Rough-Face Girl and her two beautiful but heartless sisters compete for the affections of the Invisible Being.

Part of the Cinderella Around the World series, this picture book offers a Cinderella tale from Mexico.

Glowing, full-color watercolor illustrations capture the essence of the ancient Chinese tale, which predates the familiar Western story of Cinderella.

The author draws from a variety of folk traditions to put together this version of Cinderella, including elements from Mexico, Iran, Korea, Russia, Appalachia, and more.
