I haven't even introduced Ilander to Prophecy of the Circle yet, but when I had an urge to put a pirate eyepatch on a character, he just seemed like the best choice: perpetually scruffy, eternally sarcastic, and probably very willing to walk off with your stuff.

With Circle of Fire she has done just that. The story pulled me in with the first two chapters. Everything that happened in the book felt right and it ended so well that I felt satisfied with an amazing story told by a wonderful storyteller. Definitely looking forward to more books from Michelle Zink.

The Wings of Fire Prophecy. Of three queens who Blister, Blaze and Burn two are dead, but one must learn if she bows to a fate that is stronger and higher she shall command the Wings of Fire for it is a rough journey that she must face she will disappear without a trace she must trust her instincts, and not hide or shrink

With time dwindling but her will to end the Prophecy stronger than ever, Lia sets out on a journey to find the remaining keys, locate the missing pages of the Prophecy, and convince her sister Alice to help--or risk her life trying. Lia has her beloved Dimitri by her side, but Alice has James, the man who once loved her sister--and maybe still does. James doesn't know the truth about either sister, or the prophecy that divides them. And Alice intends to keep it that way. There are some secrets sisters aren't meant to share. Because when they do, it destroys them. This stunning conclusion to Michelle Zink's Prophecy of the Sisters trilogy will make saying good-bye bittersweet for readers.

An ancient prophecy divides two sisters- One good... One evil... Who will prevail? Twin sisters Lia and Alice Milthorpe have just become orphans. They have also become enemies. As they discover their roles in a prophecy that has turned generations of sisters against each other, the girls find themselves entangled in a mystery that involves a tattoo-like mark, their parents' deaths, a boy, a book, and a lifetime of secrets. Lia and Alice don't know whom they can trust. They just know they can't trust each other.

When her parents are murdered before her eyes, sixteen-year-old Helen Cartwright finds herself launched into an underground London where a mysterious organization controls the balance of good and evil. Helen learns that she is one of three remaining angelic descendants charged with protecting the world's past, present, and future. Unbeknownst to her, she has been trained her whole life to accept this responsibility. Now, as she finds herself town between one of the brothers protecting her and the devastatingly handsome childhood friend who wants to destroy her, she must prepare to be brave, to be hunted, and above all to be strong, because temptation will be hard to resist, even for an angel.

In this highly-anticipated sequel to Prophecy of the Sisters, sixteen year-old orphan Lia Milthorpe continues her quest to end an ancient prophecy that has turned generations of sisters against each other. Having now accepted the responsibilities tied to her role as Gate, Lia journeys to the uncharted isle of Altus to continue her search for the missing pages of the Book of Chaos--the pages that could tell her how to end the prophecy once and for all. Along the way, her courage, strength, and soul are tested in ways she never could have imagined. Meanwhile, twin sister Alice continues to hone her spellcasting abilities, completely ignoring the rules that govern the Otherworlds. Alice will stop at nothing to reclaim Lia's role of Gate, and that's not the only thing she wants. There's also Lia's true love, James. The outcome of this battle between sisters will have consequences of Biblical proportion. In the end, only one sister will be left standing.

"Children of the Seventh Fire--An Ancient Prophecy for Modern Times is a fully illustrated children's book for use by teachers, mentors, parents, outreach educators, and others interested in teaching the importance of environmental conservation, protection, and sustainability.

"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naive innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed; a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

All Isla Macallen wanted was a simple existence on her little Scottish island--but what she got was embroiled in a war of good versus evil. Paranormal investigator Dr. Jeremiah Rousseau doesn't expect his research to lead him to Scotland, and to the woman who will turn his world upside down. Together they must defeat the demon king before time runs out. As a supernatural war wages around them, Isla and Jeremiah will risk it all for love.

The third of three haunting novella spin-offs to Prophecy of the Sisters to be published as e-books. The Gate to the mortal world is finally closed. Lia Milthorpe has settled with her husband on Altus, the land that bridges the gap between the Otherworlds and the physical one. Samael's banishment has brought prosperity to the land, and no one is happier than Una Whelan. For the first time in centuries, those who live on the island--including Una and her suitor, Fenris--can do so in peace. Or so they thought. This novella reveals what happens to Lia, Dimitri, and Altus after Circle of Fire, the final book in the Prophecy of the Sisters trilogy. If you thought there was a happy ending, think again.

Clay has lived his whole life under the mountain. The MudWing dragonet knows war is raging between the dragon tribes in the world outside - a war that he and four other dragonets are destined to end, according to the mysterious prophecy they have been taught. The five "chosen" dragonets were stolen from their homes while they were still in their eggs - and hidden away for years - all to fulfill the prophecy. But not every dragonet wants a destiny. And when danger threatens one of their own, Clay and his friends may choose freedom over fate ... leave the mountain ... and set the dragon world on a course that no one could have predicted.
