Reverse Harem Fairy Tales (18 books) - Goodreads

An adult fantasy romance in the reverse-harem genre, Maia Starr's Claimed by the Aliens is the first novella in the Dain Brides Reverse Harem Romance Series and the title pretty much tells you all you need to know, apart from the excellent MC, Reena Okova's part in setting up said reverse harem.

Little Mermaid. Three spirited warriors. A realm in peril. As the princess in the underwater realm, Nyssa has many responsibilities, none of which included an arranged marriage to the cruel, possessive and scheming army commander. Desperate to escape the union at all costs and save the kingdom from his merciless ways, Nyssa makes a dangerous pact with the sea witch. With the help of three mersoldiers who pledge their allegiance to her, Nyssa must track down a magical pearl to save her and her kingdom. But staying ahead of the commander is a deadly game. One that threatens to tear her from the mermen claiming her heart, leaving her to navigate new emotional currents while keeping her head above, or below, water. Mermaids, loyalty, passion and vengeance collide in this spellbinding romance that finds its 'Happily Ever After.' Note: Each book in the Haven Realm series is a standalone book.

Aladdin and Arabian Nights. Three Dangerously Sexy Genies. A Deadly Sorcerer. In the depths of the Sultan's cave, tenacious street thief Azar steals a bunch of jewels and a brass lamp. When Azar releases three gorgeous genies from the lamp, her first wish is to save her brother. Except the genies magic is weakened from being trapped for hundreds of years, and they must wait for their power to recover. A growing darkness in the kingdom is hunting Azar's genies, desperate to claim their power for his own dark plans. Now Azar must fight to save her brother and the genies that have charmed their way into her heart. Family, magic and love intertwine in an action packed romance with a 'Happily Ever After.' Charmed is a Haven Realm novel retelling of Aladdin. Note: Each book in the Haven Realm series is a standalone book.

Little Red Riding Hood. Three Big Bad Wolves. A Poisonous Scheme. Scarlet, a healer, lives nestled in the forest surrounded by humans on one side and wolves on the other. But when a rogue wolf attacks her, she's rescued by another pack and taken deep into their den to perform her healing magic on an injured Alpha. The wolves in the forest are under threat from a mysterious affliction, and Scarlet is the only hope they have left. Faced with a mixed pack of threatened shifters, Scarlet must use her wits and magic to survive and unravel the strange affliction now affecting the wolves... All while trying to navigate an overpowering attraction to not just one, but three of the Alphas. The king is dead... ..and now my future, as my heart, hangs in the balance. With the kingdom in chaos and my powers still fighting me for control, I'm left to wonder if there's even a place for me among the fae. Or among the three men who have been there since the beginning of this journey. Because even they feel like they're slipping away... Especially since the court mage hates me and is conspiring against me at every turn. But those aren't my only problems. Finding the truth of who I am and what my destiny will be is consuming me and threatening to ruin all that I have and all those I love. If I can't find a way to stop my enemies, we are all doomed and the fae realm will be lost. And I can't let that happen. I won't. Even if it means a fight to the death... Captivating conclusion to the 'WINTER'S THORN' saga. A thousand years. No memories. Five powerful mages dying to save her. In the city of Neo New York, mages rule the world. People like Eva, the non-magical kind, mean nothing. The only destiny waiting for her will be to serve the mages for the rest of her days. Except Eva isn't like other humans. When Eva's memories make a reappearance, she realizes she might be a little bit more than just a nuisance. Now, Eva must dodge jealous ex-lovers and ambitious council members, all while keeping her past a secret. Whoever said fairy tales had happy endings hasn't walked a minute in Eva's shoes.

Claiming Goldilocks is the fifth installment in a dark series that reimagines your favorite fairy tales. Prepare yourself for this epic reverse harem...Goldie has been in one bad relationship after another. Every man she meets wants to change the best parts of who she is. Grandma Mara is up to her matchmaking again. Certain that Goldie needs the right incentive, she sends her to the local spa that happens to be run by three gorgeous bear shifters. The "Big One" hit hard, creating chaos far worse than anyone could have predicted. My parents' home was swallowed into a gaping maw, deep in the ground, or so I thought...until I

opened my eyes. Imagine my shock when I discover three suns and two moons, hanging in the violet sky-yes, sky-not some gravesite for sunken houses demolished during earthquakes. Landing in an alien landscape was bad enough, but when I learn the way home requires stealing a magical emerald from a dangerous fanged creature and delivering it to an unpredictable sorcerer, things go from bad to worse. Forgive the cliché. From the Yellow Brick Road, to the three companions I find along its winding, blood-splattered path, my reality begins to resemble a popular fairy tale I watched as a kid. Only my OZ isn't the same OZ I remember from our TV screen. It is a prison planet and the final address for dangerous criminals banished by their own galaxies' governments. And as far as I can tell, there are no ruby slippers. I have no choice but to trust Lornand, the golden lion shifter; Strax, the sexy alien dependent on robotics; and Trophus, the space pirate, if I want to survive and escape. But nothing for me is ever simple. Somewhere along the Yellow Brick Road, my three protectors steal my heart, and returning to earth becomes less important when a fourth, unlikely ally joins our relationship. There's no place like home. There's no place like home. There's no place like home. I'm certain now Dorothy's heel-clicking mantra was all wrong because my heart is convinced that home is wherever my four mates reside. Falling Into OZ is a fast-burn (short story, after all) reverse harem romance that was originally published in the Once Upon A Fairy Tale Night Collection, which is no longer available on any reading platform. This story is based on Wizard of Oz and takes place in the same world as the upcoming Vamp Camp Series. A new, super-extended epilogue and various updates have been added; unavailable in the collection version.

I thought I'd die in the dungeons. My father is a terrible man. He claimed a demon lived inside me and imprisoned me for months in his torture chamber. Then, one fateful day, he found himself on the bitter end of a curse, and he offered me in exchange for his freedom. I thought my life was over, but I was wrong. While trapped within the curse creator's ancient castle, phantoms begin speaking to me. They caress me with invisible hands, and proclaim I'm theirs. One is cold and possessive, another curious and calculating, and the third... well, he might be damaged beyond repair-just like me. At night, however, when the phantoms leave, terrifying beasts emerge. Their snarls and roars awaken something dark within me, and their pull is impossible to resist. I'm changing, becoming something greater than I ever thought I could be. When the past comes back to haunt me, and my future is compromised, I find myself facing an old enemy. This time, though, I won't submit. This time, I'll become the demon he always claimed I was-a broken beast. \*\*\*Broken Beasts of Beauty is a full-length, stand-alone, dark, PNR, RH fairytale retelling. Nothing inside these pages is appropriate for a children's story. Within this tale are scenes with detailed sex, naughty language, torture, violence, revenge, and much more. If such material bothers or offends you, please do not read this book.\*\*\*

The spell that bound her fate to their realm has unleashed its crippling curse. She's the only thing standing between them and total destruction... I can't control my powers or the brooding princes who won't let me out of their sight. And I can't keep my secrets safe for long. Which scares me as much as the dark pasts haunting my warrior princes. I shouldn't want them by my side, but I do. I need them, especially here among the fae court, a dangerous place with even more enemies hiding in plain sight...and among them, I fear my own parents stand waiting to end my life. Not that any of that will matter if I can't get my powers under control. They've already cost me so much and put us all in great danger. With time running out to save one of my own from becoming a cursed creature, I'll have to rely on my erratic powers and my bond with the princes to let us live to fight another day. But with every win, another shadow befalls us. Our odds of coming out of this alive grow less by the day. And less with each step we take toward learning the truth behind this insidious curse and what fate awaits me when it's finally
