small sailboat during a 271 day voyage around the globe, alone and without stopping. One of the greatest challenges of both body and mind, the author will take you onboard during the good times and the bad. As one of only a handful of people to have ever succeed in such a small boat, this story is truly the adventure of a lifetime.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

We all want a more calm and spacious way of living, but we are often unsure of how to step off the crazy treadmill of day-to-day routines and responsibilities. Wellness pioneers Nadia Narain and Katia Narain Phillips have learned through years of practice that simple rituals can help you slow down the pace of modern life and re-center yourself. *Rituals for Every Day* shares Narian and Narian Phillips's easy-to-follow step-by-step advice. Through engaging in small, simple, and reflective routines, you can let these basic, everyday rituals bring you back to yourself.

Every year more and more Europeans, including Germans, are embracing Islam. It is estimated that there are now up to

one hundred thousand German converts—a number similar to that in France and the United Kingdom. What stands out about recent conversions is that they take place at a time when Islam is increasingly seen as contrary to European values. *Being German, Becoming Muslim* explores how Germans come to Islam within this antagonistic climate, how they manage to balance their love for Islam with their society's fear of it, how they relate to immigrant Muslims, and how they shape debates about race, religion, and belonging in today's Europe. Esra Özyürek looks at how mainstream society marginalizes converts and questions their national loyalties. In turn, converts try to disassociate themselves from migrants of Muslim-majority countries and promote a denationalized Islam untainted by Turkish or Arab traditions.

Some German Muslims believe that once cleansed of these accretions, the Islam that surfaces fits in well with German values and lifestyle. Others even argue that being a German Muslim is wholly compatible with the older values of the German Enlightenment. Being German, Becoming Muslim provides a fresh window into the connections and tensions stemming from a growing religious phenomenon in Germany and beyond.

to learn to care for themselves. Here they share the small, achievable steps they picked up on a lifetime's journey towards self-care, and how you can apply them to your life, wherever you are. Right now, you may be deep in the waves of life, being tossed around. Learning self-care is like building your own life boat, plank by plank. Once you've got your boat, you'll still be rocked by the same waves, but you'll have a feeling of safety, and a stability that means you can pick other people up on your way.

Sailing Made Easy is the first step in a voyage that will last you the rest of your life. It is a gift from a group of dedicated

sailing professionals who have committed their lives to sharing their art, their skill, and their passion for this wonderful activity. This book, which Sailing Magazine called "best in class" upon its release in 2010, is the most comprehensive education and boating safety learn-to-sail guide to date. It is also the official textbook for the ASA Basic Keelboat Standard (ASA 101). Incorporated in the textbook are useful illustrations and exceptional photographs of complex sailing concepts. The text's most distinguishing feature is its user friendly "spreads" in which instructional topics are self-contained on opposing pages throughout the book. There are also chapter end quizzes and a glossary to help those new to sailing to navigate their way through the extensive nautical terminology.
