When future NBA legend Kareem Abdul-Jabbar was still an 18-year-old high school basketball prospect from New York City named Lew Alcindor, he accepted a scholarship from UCLA largely on the strength of Coach John Wooden's reputation as a winner. It turned out to be the right choice, as Alcindor and his teammates won an unprecedented three NCAA championship titles. But it also marked the beginning of one of the most extraordinary and enduring friendships in the history of sports. The first memoir for young readers by sports legend Kareem Abdul-Jabbar. At one time, Lew Alcindor was just another kid from New York City with all the usual problems: He struggled with fitting in, with pleasing a strict father, and with overcoming shyness that made him feel socially awkward. But with a talent for basketball, and an unmatched team of supporters, Lew Alcindor was able to transform and to become Kareem Abdul-Jabbar. From a childhood made difficult by racism and prejudice to a record-smashing career on the basketball court as an adult, Kareem Abdul-Jabbar's life was packed with "'coaches'" who taught him right from wrong and led him on the path to greatness. His parents, coaches Jack Donahue and John Wooden, Muhammad Ali, Bruce Lee, and many others played important roles in Abdul-Jabbar's life and sparked him to become an activist for social change and advancement. The inspiration from those around him, and his drive to find his own path in life, are highlighted in this personal and awe-inspiring journey. Written especially for young readers, Becoming Kareem chronicles how Kareem Abdul-Jabbar become the icon and legend he is today, both on and off the court.

The pro-basketball star recalls the highs and lows of his record-breaking career as center for the Los Angeles Lakers

The renowned basketball player shares his professional and private life and discusses his struggle to achieve a balance between the demands of being a celebrity and his own needs

In February 2008, Bill Walton, after climbing to the top of every mountain he ever tried, suffered a catastrophic spinal collapse--the culmination of a lifetime of injuries--that left him in excruciating, debilitating, and unrelenting pain. Unable to walk, he underwent pioneering surgery and slowly recovered. The ordeal tested Walton to the fullest, but with extraordinary determination and sacrifice, he recovered. Now Bill Walton shares his life story in this remarkable memoir. Walton, the son of parents with no interest in athletics, played basketball in every spare moment. An outstanding player on a great high school team, he only wanted to play for John Wooden at UCLA--and Wooden wanted him. Walton was deeply influenced by the culture of the 1960s, but he respected the thoughtful, rigorous Wooden, who seemed immune to the turmoil of the times. Other than his parents, Wooden would be the greatest influence in Walton's life--the two would speak nearly every day for 43 years until Wooden's death. Throughout a brilliant championship career, accumulating injuries would afflict Walton. He would lose almost two-thirds of his playing time to injury. After his playing days ended, Walton chose a career in broadcasting, despite being a lifelong stutterer--once again he overcame a physical limitation and eventually won multiple broadcasting accolades. Wooden once said that no greatness ever came without sacrifice--nothing better illustrates this notion than Walton's life.--Adapted from dust jacket.

A New York Times and Washington Post Bestseller Bestselling author, basketball legend and cultural commentator Kareem Abdul-Jabbar explores the heart of issues that affect Americans today. Since retiring from professional basketball as the NBA's all-time leading scorer, six-time MVP, and Hall of Fame inductee, Kareem Abdul-Jabbar has become a lauded observer of culture and society, a New York Times bestselling author,

and a regular contributor to The Washington Post, TIME magazine and TIME.com. He now brings that keen insight to the fore in Writings on the Wall: Searching for a New Equality Beyond Black and White, his most incisive and important work of non-fiction in years. He uses his unique blend of erudition, street smarts and authentic experience in essays on the country's seemingly irreconcilable partisan divide - both racial and political, parenthood, and his own experiences as an athlete, African-American, and a Muslim. The book is not just a collection of expositions; he also offers keen assessments of and solutions to problems such as racism in sports while speaking candidly about his experiences on the court and off. Timed for publication as the nation debates whom to send to the White House, the combination of plain talk on issues, life lessons, and personal stories places Writings on the Wall squarely in the middle of the conversation, as many of Abdul-Jabbar's topics are at the top of the national agenda. Whether it is sparring with Donald Trump, within the pages of TIME magazine, or full-length features in the The New York Times Magazine, writers, critics, and readers have come to agree on what The Washington Post observed: Abdul-Jabbar "has become a vital, dynamic and unorthodox cultural voice."
