This fantastic thesaurus is especially designed for children aged 7 and over (Key Stage 2) and supports today's primary curriculum needs. Clear and accessible, it is an indispensable tool for young writers.

This Collins Primary Dictionary for kids age 7+ (KS2) is designed to build confidence and develop young learners' language and dictionary skills at home and in the classroom.

An ideal introduction to the world of words and dictionaries for children starting school aged 5 and above. The simple, full sentence definitions reflect the child's experience of the world, and the colourful illustrations help make learning easy, memorable, and fun. This book offers children in learning the alphabet, English spelling, and the basic meanings of everyday words. With the alphabet at the edge of every page, and each letter a different colour, it is easy for children to learn how to recognise different letters, look up words and find out how to spell them. The illustrations make the dictionary fun and appealing, allowing children to understand what words mean, while example sentences show how the words can be used. The simple grammatical labels provided introduce children to different word groups. Simple, fun and easy-to-use, this is the perfect for any child's first school dictionary."

The perfect language companion for all students aged 11+. With a clear and highly legible design throughout, it is easy to use and full of useful features to help build language confidence at school and help with homework and revision. This new hardback edition has been developed with teachers to be the perfect school dictionary for in class and for homework. The clear layout makes finding entries exceptionally easy, and full definitions are given in simple language, often in complete sentences. With over 20,000 entries, many new or updated, it includes the school national curriculum vocabulary up to Key Stage 3 and GCSE as well as general vocabulary for students aged 11+. A special section on spelling follows the main dictionary. It outlines key spelling rules and lists words that are commonly confused or misspelled, so it helps students to identify and master the trickiest spelling problems. This user-friendly dictionary is an invaluable reference for all school students.

For children aged 7 and over, this dictionary contains up-to-date and extensive coverage of everyday and curriculum vocabulary. It offers additional language tips and carefully selected and annotated illustrations to help students with more complex language. The Word Wizard section provides in-depth support on spelling, punctuation and grammar.

This colourful illustrated edition offers support for the primary maths curriculum. Simple definitions of key maths terms and extensive supplements including full times table charts, weight measurements, and geometry are all clearly presented and illustrated to ensure pupils are motivated to learn and associate maths concepts to everyday life. * contains full coverage of the new curriculum maths terminology* gives clear explanations of the key maths terms that pupils need* makes clear links to show how maths is used in real-life contexts* incorporates appealing illustrations and colourful diagrams to help with understanding* uses alphabetical presentation for easy access* includes extensive supplements which illustrate related mathematical concepts and vocabulary such as times tables and geometry

Optimised for colour tablets. The images in this e-book are not suitable for viewing on black and white e-ink devices. For children aged 8 and over, this dictionary contains full sentence definitions, examples, synonyms and parts of speech, as well as spelling and grammar tips, word histories, colourful pictures, and two informative supplements.

Never be lost for words with this perfect reference book for young readers and writers. With more than four thousand words, Children's Illustrated Thesaurus has everything a child needs to develop their vocabulary. Each entry in the book is supported by a definition and used in a sentence as an example to explain their usage to young readers. This comprehensive book shows a range of synonyms to provide extra words that can be used during writing, from types of emotion to weather phenomenon. Colorful images and supporting illustrations place every word in context and help you better understand its meaning. With its fresh and fun design, the Children's Illustrated Thesaurus will inspire children to build a rich and vibrant vocabulary and help boost their confidence when they begin their next writing project.

This new edition of the Oxford Primary Thesaurus is bursting with thousands of synonyms, writing tips, overused words and word webs which will enrich children's writing. Entries are simple and clear, and include example sentences from children's favourite authors model how to use different words in context. Alphabet tabs on every page make navigation very easy. Extra writing support is given for overused words such as nice and good, topic vocabulary at words such as animal or castle, and writing tips at words such as food, weather and clothes suggest ways to create colourful descriptions. Finding new and alternative words is easy, quick and fun. The Oxford Primary Thesaurus is an invaluable reference tool for pupils to reflect, edit and improve their writing. An ideal companion to the new updated edition of the Oxford Primary Dictionary. Go online at www.oxfordschooldictionaries.com for the accompanying free downloadable activities.
