Colloquial Chinese: The Complete Course for Beginners has been carefully developed by a leading academic in Chinese language teaching and course design. Based on feedback from learners and teachers who used its previous version, this new edition has been updated to reflect the language and cultural changes in China, such as online shopping and WeChat payment, and to provide a more integrated and step-by-step approach to making the learning of modern Mandarin Chinese more effective and enjoyable. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential knowledge and skills needed to communicate confidently and effectively in Chinese in a broad range of situations. No prior knowledge of the language is required. Colloquial Chinese is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back, as well as transcripts of listening practice exercises. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar Step by step introduction of Chinese characters An extensive range of focused and dynamic supportive exercises A combination of listening, reading and speaking activities with the support of transcripts at the back of the book Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points explaining the customs and features of life in China An overview of the Chinese language: its sounds, structure and Chinese characters Balanced, comprehensive and rewarding, Colloquial Chinese is an indispensable resource both for independent learners and students taking courses in Chinese as well as teachers of Chinese. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues, new words and listening practice exercises from the book and will help develop your listening and speaking skills.

A major title for a language spoken by 70% of the Chinese population. The official language of Taiwan and Hong Kong, and known as "Mandarin Chinese" in English-speaking countries, Colloquial Chinese has been specially written by an experienced teacher for self-study or class use. This paperback in the Colloquial Language Learning Series is available individually or as part of a pack. For more information, please refer to the cassette pack listing for this language.
