*COMPETING FOR ADVANTAGE* is designed and crafted to meet the unique needs of the executive and traditional MBA student. The text is a straightforward and focused presentation of the latest strategic management research and thinking, using detailed examples to make the connection to real world practice. The authors remain focused on those issues particularly relevant to the current or future practitioner, illustrating the process and tools used in strategic analysis and implementation to create a sustainable competitive advantage. Further, the text examines the critical issues of today's business environment including chapters on both strategic leadership and corporate governance. *Competing for Advantage* is an outstanding resource for those wanting to better understand and more effectively participate in their organization's strategic management process.

Examine strategic management with the market-leading book that sets the standard as today's most intellectually rich, practical analysis of strategic management. Written by prominent management scholars and award-winning instructors, Hitt/Ireland/Hoskisson's *STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION, 13E* incorporates cutting-edge research and new examples from more than 600 companies to reveal how firms effectively use the strategic management process. This edition combines a classic industrial organization model with a resource-based view of the firm to demonstrate how businesses establish competitive advantages and create value for stakeholders in the global marketplace. You study how firms govern themselves, the value of strategic alliances to global companies and the value firms create by melding strategic management and entrepreneurial behaviors when competing. Also included at no additional charge are 20 leading business cases, carefully selected by the authors, which cover several US and international businesses across many industries. With *STRATEGIC MANAGEMENT* you gain the insights and understanding you need to outperform competitors and excel as a strategic leader. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Discover the knowledge and tools that today's most successful firms use to build business and consistently outperform the competition when you open the latest edition of Ireland/Hoskisson/Hitt's *UNDERSTANDING BUSINESS STRATEGY: CONCEPTS AND CASES, Second Edition*. This concise, hands-on approach by recognized leaders in business strategy clearly demonstrates how solid management strategy equals the decisive, responsive action that prosperous firms use to create sustainable competitive advantage. This edition guides you, step-by-step, through creating strong strategy, planning for success, implementing responsive action, competing effectively with strategy, analyzing the environment and firm, and improving upon results. The authors clearly connect strategy concepts to the real business world, giving you the unique opportunity to examine and learn from strategy that has worked as well as strategy that has failed within familiar companies. The latest research and insights from global business leaders, extensive examples, and practical cases help equip you

with the hands-on skills and career tools for your own superior performance and strategic management success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Examine the most thorough, up-to-date, and relevant collection of strategic management cases available in this market-leading, comprehensive case text. Developed by highly respected experts Hitt, Ireland and Hoskisson, *STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION, CASES, 9E* combines the latest cutting-edge research in strategic management with a practical global focus. A selection of 30 all-new, compelling cases examines a broad range of critical strategic management issues confronting managers today in U.S. as well as global organizations. Many of these timely cases provide full financial data. Count on this engaging book for the practical understanding you need to apply strategic management tools and techniques for increased performance and a strong competitive advantage.

Are you looking for the perfect tool to guide you in today's fast paced business world? In *STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION* you will discover a unique model that blends both new and old ideas resulting in a cutting edge, accurate and relevant text. Specific examples, models, and figures emphasize important points and make the text easy to understand.

Introduce your students to strategic management with the market-leading text that has set the standard for the most intellectually rich, yet thoroughly practical, analysis of strategic management concepts today. Written by highly respected experts and prestigious instructors Hitt, Ireland, Hoskisson, and Hitt *THE MANAGEMENT OF STRATEGY: CONCEPTS, 10E, International Edition* is the only book that integrates the classic industrial organization model with a resource-based view of the firm to give students a complete understanding of how today's businesses use strategic management to establish a sustained competitive advantage. The authors combine the latest, cutting-edge research and strategic management trends with insights from some of today's most prominent scholars. A strong global focus and carefully selected examples from more than 600 emerging and established companies place concepts into context within an inviting, relevant and complete presentation. A wealth of learning features and experiential exercises address numerous critical issues confronting managers today. Various online teaching tools and a complete electronic business library help keep study current and relevant. Count on this Concepts text to provide the solid understanding of critical strategic management concepts your students need to increase performance and establish a clear competitive advantage.

*STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION, 7th edition* provides the most accurate, relevant, and complete presentation of strategic management today. Each edition is thoroughly updated to include cutting edge research and trends that are shaping business strategy. The authors guide students through the strategic management process using a unique model that blends the classic industrial organizational model with the resource-based view of the firm to explain how firms use the strategic management process to build a sustained competitive advantage. Throughout the text carefully selected examples and highlights help put the ideas presented into context. The text's stunning four color design, illustrative models and figures also helps to focus students attention on the key points. In addition to the concepts portion, the text includes 35 compelling case studies or you can easily build your own case selections from premier providers such as Harvard, Ivey, and Darden.
