afterword, Dunning and Shearer provide a sociological analysis of the major developments that have taken place in Rugby since the 1980s, with particular attention to the professionalism that was predicted in the first edition of this text." "Barbarians, Gentlemen and Players, Second Edition will be an invaluable resource for sports lovers, rugby fans and students of the history and sociology of sport."--BOOK JACKET.

"Player's Handbook 2 is the most significant expansion to the 4th edition Dungeons & Dragons game. This companion to the 'Player's handbook' core rulebook introduces the primal power source, which draws on the spirits that preserve and sustain the world. This book includes four classes tied to the primal power source: the barbarian, the druid, the shaman, and the warden. It also presents

four new arcane and divine classes: the avenger, the bard, the invoker, and the sorcerer"--Back cover.

A new 114-page supplement from Ranger Games Publishing, the Player's Handbook for Dice & Glory reprints chapters 1, 3, 4, 5, and 6 from the Core Rulebook and includes new material to help new and experienced players to create fully realized characters with a full chapter on The Basics (group role & relationships, expanded disposition table, rounding out the details), Step-By-Step Character Creation (a walkthrough of 14 steps), and Character Starter Packages. This book has 9 chapters and a complete index of Specialist Character Classes for all current Dice & Glory publications.

****Winner of the 2016 Pulitzer Prize for Autobiography**** Included in President Obama's 2016 Summer Reading List
"Without a doubt, the finest surf book I've ever read . . ." —The New York Times Magazine
Barbarian Days is William Finnegan's memoir of an obsession, a complex enchantment. Surfing only looks like a sport. To initiate, it is something else: a beautiful addiction, a demanding course of study, a morally dangerous pastime, a way of life. Raised in California and Hawaii, Finnegan started surfing as a child. He has chased waves all over the world, wandering for years through the South Pacific, Australia, Asia, Africa. A bookish boy, and then an excessively adventurous young man, he went on to become a distinguished writer and war reporter. Barbarian Days takes us

deep into unfamiliar worlds, some of them right under our noses—off the coasts of New York and San Francisco. It immerses the reader in the edgy camaraderie of close male friendships forged in challenging waves. Finnegan shares stories of life in a whites-only gang in a tough school in Honolulu. He shows us a world turned upside down for kids and adults alike by the social upheavals of the 1960s. He details the intricacies of famous waves and his own apprenticeships to them. Youthful folly—he drops LSD while riding huge Honolua Bay, on Maui—is served up with rueful humor. As Finnegan's travels take him ever farther afield, he discovers the picturesque simplicity of a Samoan fishing village, dissects the sexual politics of Tongan interactions with Americans and Japanese, and navigates the Indonesian black market while nearly succumbing to malaria. Throughout, he surfs, carrying

readers with him on rides of harrowing, unprecedented lucidity. *Barbarian Days* is an old-school adventure story, an intellectual autobiography, a social history, a literary road movie, and an extraordinary exploration of the gradual mastering of an exacting, little-understood art.

“One of the finest, most compelling accounts of what happened to corporate America and Wall Street in the 1980’s.”
—New York Times Book Review A #1 New York Times bestseller and arguably the best business narrative ever written, *Barbarians at the Gate* is the classic account of the fall of RJR Nabisco. An enduring masterpiece of investigative journalism by Bryan Burrough and John Helyar, it includes a new afterword by the

authors that brings this remarkable story of greed and double-dealings up to date twenty years after the famed deal. The Los Angeles Times calls Barbarians at the Gate, “Superlative.” The Chicago Tribune raves, “It’s hard to imagine a better story...and it’s hard to imagine a better account.” And in an era of spectacular business crashes and federal bailouts, it still stands as a valuable cautionary tale that must be heeded.
