"In fourteen short stories by Morocco's foremost writer of life on the margins, this arabophone cult classic traces the impact of power, abuse, and illness on the body"--

E NESBIT: GOTHIC HORROR The first three books of Gothic Horror style short stories by E. Nesbit, incorporating the stories in full from the books 'Grim Tales', 1893, 'Something Wrong', 1893, and 'Fear, ' 1910. For the first time available in one volume, from the author famous for children's classics such as *The Railway Children* and *The Treasure Seekers*, we discover a very different darker side to the woman who greatly inspired authors such as J.K. Rowling and C.S. Lewis. In pure gothic horror style, E. Nesbit includes bite sized tales of red-headed temptresses, darkness and shadows, bodies coming alive, death of loved ones, being buried alive, philandering men, unrequited love, social poverty, and writing through the night to earn enough money to eat due to make ends meet. All themes which ran through the personal life of the author Edith Nesbit. This volume is a reproduction of the three 'horror' collections of short stories published in Edith's lifetime gathered together in one volume. It is Volume One in a series of collections of E. Nesbit's short story works. She wrote many short stories for magazine publications, and published other collections of these works which are available in further volumes in this series. Collected, reproofed, and edited by SJ Hills from rare original published editions. **DO NOT READ ALONE IN THE DARK**

One of the most phenomenally acclaimed and successful books of recent years is now available as a paperback—with three just-discovered stories Here, gathered in one volume, are the stories that made Clarice a Brazilian legend. Originally a cloth edition of eighty-six stories, now we have eighty- nine in all, covering her whole amazing career, from her teenage years to her deathbed. In these pages, we meet teenagers becoming aware of their sexual and artistic powers, humdrum housewives whose lives are shattered by unexpected epiphanies, old people who don't know what to do with themselves— and in their stories, Clarice takes us through their lives—and hers—and ours.

This early work by Guy de Maupassant was originally published in the 1880's. Guy de Maupassant was born in 1850 at the Château de Miromesnil, near Dieppe, France. He came from a prosperous family, but when Maupassant was eleven, his mother risked social disgrace by trying to secure a legal separation from her husband. After the split, Maupassant lived with his mother till he was thirteen, and inherited her love of classical literature. In 1880, Maupassant published his first – and, according to many, his best – short story, entitled 'Boule de Suif' ('Ball of Fat'). It was an instant success. He went on to be extremely prolific during the 1880s, working methodically to produce up to four volumes of short fiction every year. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.
