merchandising business, as well as advanced features of QuickBooks. This book provides step-by-step instructions for easy learning with an abundance of exercises and projects to reinforce new concepts. Using a hands-on approach, the text integrates understanding accounting with mastery of the software. Each chapter builds on the previous chapter as you progress from entering simple transactions to using the QuickBooks advanced features. The text provides both the “big picture” overview (“Where am I going?”) and step-by-step instructions (“Where do I click?”).
