In this book, each chapter begins with an on-the-job interview with managers from MNCs, small entrepreneurial companies and nonprofit organisations. The text places minor emphasis on traditional technology (such as word processing) and major emphasis on newer technologies (such as teleconferencing, videoconferencing, and video and electronic presentations). To make the book reader friendly, continuing examples are used throughout the chapter (and sometimes carried forward to the next Chapter). It contains mini-cases based on current events appear at the end of each chapter so that
