Costumers Guide

Follow Costumer's Guide on Twitter: My costume blog: Since I don't have much time to update this site with news these days, I'm trying out Facebook. It's super easy to share links and photos this way. It's not great for archiving, but then, since this site doesn't use tags or anything, I guess it's not a ton different from these news archives! We'll see how it goes! Feel free to like/view my ...

Whether you're in a professional or a community theatre, part of a historical re-enactment, or teaching costume construction, a well-made hat provides a much-needed finishing touch to a costume. *Period Reproduction Buckram Hats: The Costumer's Guidebook* is your one-stop resource for learning how to recreate historically accurate buckram hats. Each chapter is devoted to the construction of a particular hat, beginning with a historical image and followed by an list of the exact amount of fabric, tools, and materials needed and the estimated time to complete the construction. Every chapter contains a brief historical background on each hat, a pattern, step-by-step instructions, process photographs, and ideas for altering the pattern to fit your unique production. This book not only provides instruction for the exacting reproduction of historic hats, but it also guides and encourages you to alter patterns and techniques to create your own designs. The final chapters outline general millinery principles that can be applied to almost any hat, allowing you to customize your project.

Includes costumes for theater productions.

Costume in Motion is a guide to all stages of the collaboration process between costume designers and choreographers, documenting a wide range of approaches to the creation of a dance piece. Featuring interviews with a diverse selection of over 40 choreographers and designers, in-depth case studies of works by leading dance companies, and stunning original photography, the book explores the particular challenges and creative opportunities of designing for the body in motion. Filled with examples of successful collaborations in contemporary and modern dance, as well as a wide range of other styles, *Costume in Motion* provides costume designers and choreographers with a greater understanding of the field from the other's perspective. The book is designed to be part of the curriculum for an undergraduate or graduate level course in costume design or choreography, and it can also be an enriching read for artists at any stage of their careers wishing to hone their collaboration skills in dance.

Costumes are an integral part of any performance, adding believability, conveying setting, or establishing the tone, a fact that is no less true when your performer is a puppet! The only book of its kind, *The Well-Dressed Puppet* will show you how to create costumes and accessories tailored specifically for your puppet that will enhance any performance. Gone are the days of ill-fitting store-bought clothing that restrict the movement and use of your puppet. Author Cheralyn Lambeth walks you through every step of the costume-making process with detailed lists of the necessary materials, equipment, and patterns required to create a costume from scratch. She also shares multiple tips and information on how to modify off-the-rack clothing to fit any puppet. Suitable for both beginners and more advanced costumers, *The Well-Dressed Puppet* demonstrates basic sewing and construction techniques while still providing advanced projects for customers who have already mastered those skills.

Rosemary Ingham and Liz Covey draw upon their many years of hands-on experience in costume design and technology to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive.

A Working Costume Designer's Guide to Color provides readers with the skills and knowledge to create coherent color schemes for costumes. Drawing on decades of experience in the costume shop, the author guides readers through every step of the process, from finding inspiration for a color scheme and successfully working with the design team to understanding how lighting design can affect costume color choices. Filled with step-by-step illustrations of how to add colors to a set of renderings and color-block samples to illustrate color theory, terminology, and usage of colors, the book covers a wide range of topics, including: How to add colors to a set of renderings to clarify characters and character relationships. How color interacts with surface pattern and fabric textures. Color theory and terminology. How to combine colors to make a coherent color scheme using different methods, including using dominant, supporting, and accent colors. How to flatter actors while staying within an overall color scheme. Color meanings in different cultures and for different time periods. How to manage costume changes to preserve or extend a color scheme. A valuable resource for students of costume design courses and professional costume designers, *A Working Costume Designer's Guide to Color* provides readers with the tools to create harmonious color schemes that will enhance the look of a production as whole.

Describes techniques for designing costumes for theatrical productions and discusses how to start a professional career in the costume design business

Angels have been many things to many people throughout the centuries—emissaries of the divine, harbingers of holy wrath, symbols of enduring beauty and great power ... In this book, with Angela Sasser's graceful artwork guiding the way, you'll discover how to bring to life your own divine visions. Beginning with the basics and progressing through 20+ step-by-step demonstrations, you'll learn how to: • Combine the ethereal luminosity of watercolor with the subtle textures and striking contrasts of colored pencil and ink. • Depict realistic anatomy, including bodies, faces, hands and wings. • Suggest character and mood with accessories like clothing, weaponry, halos and tattoos. • Create the perfect backdrops, including clouds, flowers, stone and stained glass. Bring it all together in 8 full-length painting demonstrations, from butterfly guardians and romantic muses to demon slayers and the Archangel of Death. Or follow your own inspirations to create angels unbound by convention and reflective of your personal spirit.
