*Crimes Against Magic* heats up Urban Fantasy I started this series with the recommendation from a forum with regard to finding series that were similar to the Dresden Files. I was NOT disappointed at all.

How do you keep the people you care about safe from enemies you can't remember? Ten years ago, Nate Garrett awoke on a cold warehouse floor with no memory of his past and the only clues to his identity a piece of paper with his name on it and a propensity toward magic. Now he's a powerful sorcerer and a successful thief for hire, but it turns out that those who stole his memories aren't done with him yet. When they cause a job to go bad, threatening a sixteen-year-old girl, Nate swears to protect her. But with his enemies closing in and the barrier holding back his memories beginning to crumble, Nate is forced to confront his forgotten life in the hope of stopping an enemy he can't remember. *Crimes Against Magic* is a dark, fast-paced urban fantasy torn between modern-day London and fifteenth-century France.

Nathan Garrett is asked to help a friend find a serial killer whose gruesome patterns reveal pure evil. Though Nate is powerful, he fears he may be defeated until he remembers why his enemies will not triumph.

In the final chapter of the Hellequin Chronicles, secrets will be revealed, friendships tested, and destinies fulfilled. Avalon is under siege. A shadowy cabal, headed by a mysterious figure known only as "My Liege," has launched a series of deadly attacks across the globe, catching innocent human bystanders in the crossfire. Emerging from the debris of battle, Nate Garrett, the sixteen-hundred-year-old sorcerer also called Hellequin, and his friends must stop My Liege once and for all. But powerful forces stand in their way. To save Avalon, they will need to enlist the help of Mordred, once Nate's greatest nemesis, now his most formidable ally. But Mordred is grappling with a dark prophecy that could spell Nate's doom... The fate of the world hangs in the balance. Even if Nate can halt the war, will there be anything left worth saving?

He doesn't need a weapon. He is the weapon. After losing his powers in an epic battle between good and evil, former sorcerer Nate Garrett finds himself living as a humble human in Clockwork, Oregon. While the world thinks Nate is dead, his friends continue to fight against Avalon and the evil it's intent on spreading. Avalon's forces turn up in Clockwork, and Nate's frustration grows with every passing day his magic doesn't return. He finds himself trying to stop Avalon's plans while hiding from enemies who would destroy everything in their path to see him dead. Avalon's darkness begins to threaten the people Nate cares about, and an old nemesis returns: magic or no magic, he has no choice but to fight. But will Nate see his magical powers reborn before the entire town--and everyone he loves--is destroyed?

Long ago, Olympian gods imprisoned the demon Pandora in a human--hope--creating a creature whose only purpose was chaos and death. Remorseful, the gods locked Pandora away in Tartarus, ruled by Hades. Now, centuries later, Pandora escapes. Nate Garrett, a 1,600-year-old sorcerer, is sent to recapture her and discovers her plan to disrupt the 1936 Berlin Olympic Games, killing thousands in a misplaced quest for vengeance. Fast forward to modern-day Berlin, where Nate has agreed to act as guardian on a school trip to Germany to visit Hades at the entrance to Tartarus. When Titan King Cronus becomes the second ever to escape Tartarus, Nate is forced to track him down and bring him back, to avert a civil war between those who would use his escape to gain power. *Prison of Hope* is the fourth book in the highly acclaimed and action-packed dark urban fantasy series, the Hellequin Chronicles.

U.S. Marshal Anita Blake must rescue a teenage girl who has been abducted by an ordinary group of people who turn out to be newly-turned vampires.

When her independent reputation is compromised by her engagement to master vampire Jean-Claude, Anita takes an assignment from the FBI to track down a practitioner of dark voodoo who is victimizing women.

A powerful sorcerer. A forgotten past. Hellequin is back, and the end is near. A terrible storm is brewing in London, and Nathan Garrett, the sorcerer known as Hellequin, is the only one who can stop it. But his enemies have other plans. Harnessing the power of an ancient stone tablet, they cast Nate and his allies into another realm, where a bloody conflict rages between creatures twisted by magic. Meanwhile, with his friends' lives in danger, Nate must put centuries of differences aside, and place his trust in one of his greatest foes. Time is running out. Trapped and outnumbered, Nate must use all his wits and power to survive and find his way home before his enemies start a war that could destroy everything he holds close. Welcome to the penultimate chapter of the Hellequin Chronicles.

A deadly venom. A looming rebellion. A vicious siege. And the clock is ticking. For sorcerer Nate Garrett, the stakes have risen. If Asgard falls, he may lose much more than his home--he may lose the thing dearest to him. To stand a fighting chance against Avalon, he must be ready to go to war. But when his best friend and father are poisoned, Nate must race against the clock in a desperate quest to find a cure. Layla Cassidy is tasked with gaining the aid of the Valkyrie in Valhalla, but once there, she finds herself involved in another rebellion and must pick a side. Meanwhile, Mordred finds himself on a hunt for Excalibur, a weapon of incredible power that would aid the rebellion in their fight against Arthur and his allies. But to retrieve it, Mordred must face uncomfortable truths about himself. War looms over the rebellion, and the battle for Asgard is at hand. Time is running out as Avalon's forces threaten total destruction. But Nate can't be in two places at once. Can he find the cure, and can he, Layla, and Mordred save the realms before it's too late?

It's a dark day for the earth realms. Will it be the last? Sorcerer Nate Garrett lost much in the battle that devastated Asgard, but the war against darkness is far from over. He's spent a year searching for Arthur, hell-bent on stopping the evil leader of Avalon and rescuing his friend Tommy from his clutches. Nate's investigation brings him to Washington, DC, where he finds the city under siege. Just when all hope seems lost, Layla Cassidy and her team arrive to join the fight, but Avalon's deadly plan to conquer the earth realm is underway. Meanwhile, Mordred is on a quest to find allies in the upcoming war against Avalon, hoping to find Arthur and stop him before it's too late. As the rebellion forces close in on Arthur, each of them know this could be their last fight. But with Arthur massing an unstoppable army of his own, will Nate's fury be enough to defeat him once and for all?
