Jennifer L Armentrout has used her gift of writing to create some bold and fascinating characters - some of whom are just tolerable! This was a captivating story with a delicately woven plot, which held me from the very first page, the fantasy/romance element is not new but Jennifer L Armentrout has a way of writing which made 'Cursed' début on a whole new level.

Cursed is my first book by Jennifer L. Armentrout. I've been told that this isn't one of her best, and yet I'm impressed. So I really look forward to picking up books in her other series. Ember was killed in a car crash, which also killed her dad. But her younger sister Olivia, who has a very special gift, brought her back to life.

Cursed was full of suspense, and a romance that'll make Armentrout's fans happy. The relationship between Ember and Hayden kind of reminds me of Alex and Aiden (that isn't a bad thing). There were times when I wanted to scream at both Ember and Hayden, but the way Armentrout built their relationship was wonderful (there are plenty of swoon-worthy moments between them, I promise).

And as the weeks pass, it turns out that Ella isn't the only one being tormented. With the help of an old flame, Jensen Carver, and her friends and family, Ella tries to attain some sense of normalcy, but she can't seem to shake the feeling that there's a dark pattern hidden in the killer's every move. Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
