He is clear to point out that we are not saying that there is no sin left in us, that we are free from sinful nature, or that we are free from temptations. D. Martyn Lloyd-Jones | Monergism

Lloyd-Jones paints preaching as such a high, sacred task—the greatest privilege a child of God can be given. As such, Lloyd-Jones has little patience for the personal stories and the frequent humor so common today from the pulpit; such lightheartedness can often diminish a sermon to merely "entertainment".

"Some may object to my dogmatic assertions; but I do not apologize for them. Every preacher should believe strongly in his own method; and if I cannot persuade all of the rightness of mine, I can at least stimulate them to think and to consider other possibilities. I can say quite honestly that I would not cross the road to listen to myself preaching, and the preachers whom I have enjoyed most have been very different indeed in their method and style. But my business is not to describe them but to state what I believe to be right, however imperfectly I have put my own precepts into practice. I can only hope that the result will be of some help, and especially to young preachers called to this greatest of all tasks, and especially in these sad and evil times. With many others I pray that 'The Lord of the harvest may thrust forth' many mighty preachers to proclaim 'the unsearchable riches of Christ!'"

This carefully selected collection of sermons acquaints readers with the life and ministry of famed preacher Dr. Martyn Lloyd-Jones, explaining each message's historical context and relevance for the church today.

In 1951, with the Second World War not long over and the menace of the Cold War generating anxiety in the West, Martyn Lloyd-Jones preached eight sermons on John 14:1-12 at Westminster Chapel in London. These sermons, presented in *Let Not Your Heart Be Troubled*, were intended to comfort, strengthen, and build up Christians in their "most holy faith" and to bring unbelievers to a knowledge of the only way men and women can face matters of life and death. Lloyd-Jones went through these verses carefully, showing that the way to deal with our fears is first to recognize and confront them and then to realize that the answer is only to be found in the great and unchanging truths of the gospel. Pastors, Lloyd-Jones readers, and anyone needing encouragement will benefit from this work by one of the twentieth century's foremost preachers.

Spiritual Depression is one of the great classics of the modern Church and tackles the big question: If Christianity is such "good news" why are its followers often unhappy? Dr. Martyn Lloyd-Jones was possibly the greatest Christian preacher and teacher of the twentieth century. A medical doctor by training, *Spiritual Depression* draws together his professional understanding of the mind with a profound understanding of Christian teaching and the Bible. *Spiritual Depression* diagnoses the causes of the ill feeling that many Christians experience. It prescribes the practical care that is needed to lift people's spirits and bring them freedom, power and joy. Spiritual health is possible and this book explains how everyone can grasp it for themselves.

'The events that transported Martyn Lloyd-Jones from a glamorous Harley Street medical practice to a pastorate in an impoverished Welsh mining town make a magnificent biography.' Christianity Today.

When Martyn Lloyd-Jones, physician, preacher and Christian Leader, died in 1981, after more than 40 years in London, few knew the remarkable story of his formative earlier years which, in the authorised biography, is now told for the first time. From his rural Welsh background to St Bartholomew's Hospital (where at the age of 23 he was Chief Clinical Assistant to Sir Thomas Horder, the King's Physician), then, suddenly at 27, to a struggling Calvinistic Methodist Church in Aberavon, South Wales, he appears successively as schoolboy, dairyman's assistant, political enthusiast, debater, doctor, and finally Christian preacher. Some regarded his change of career as romantic, others as foolish. The one thing of which Dr Lloyd-Jones was sure was that his settlement amid the industrial depression of South Wales was no sacrifice: 'I gave up nothing. I received everything. I count it the highest honour God can confer on any man to call to be herald of the gospel'.

Just hours before his betrayal and arrest, Jesus offered his famous High Priestly Prayer—one of the most intimate moments between Christ and his Father recorded in Scripture. John 17 has thus greatly encouraged Christians for millennia as it boldly affirms our connection to Christ. In this masterful, verse-by-verse exposition of Jesus's words, renowned Bible teacher and preacher Dr. Martyn Lloyd-Jones
