It tells a story of a man at odds with his own culture who rediscovers himself in another. Culture and characters dance around John Dunbar and provide colour to his emerging personality.

THE GRIPPING, EMOTIONAL SEQUEL TO DANCES WITH WOLVES. The Comanche people have evaded the white settlers for years, relying on their knowledge of the land and the strength of their warriors for protection. But with the fast encroaching railroad cutting across the countryside, there's nowhere left to go as an independent people. When the white representatives give them an ultimatum - to move to a reservation or face the armies of America - the Comanches must each make the choice for themselves, to accept the imprisonment of their people and the dissolution of their culture, or to suffer inevitable extinction. In this heart-wrenching sequel to the #1 New York Times bestseller, Dances With Wolves, all the familiar characters - Stands With A Fist, Kicking Bird, Wind In His Hair, and of course, the man who was Lieutenant John J. Dunbar - return with new, vivid complexity. A novel for any age, The Holy Road sheds compelling light on human resilience, social consequences, and the nature of freedom.

From Michael Blake, the #1 New York Times Bestselling Author of *Dances With Wolves*, winner of the Academy Award for Best Movie, Best Director and Best Adapted Screenplay. A new novel about one man's search for peace, in the time of war. Trapped behind enemy lines in the midst of World War I, Ledyard Dixon has three choices. He can surrender to the enemy, he can stay on the run till the war is over, or he can find his way back across enemy territory, through enemy lines, and over the vast expanse of no man's land to rejoin his regiment. Nothing in the world calls him back to the theater of war, but even in the empty villages across the disputed countryside, there is no escaping it, either. As he wanders in search of safety, Ledyard meets an abandoned cavalry horse, Drayton. With Drayton's help, Ledyard avoids capture again and again, both by carrying him away from danger, and by uniting those around him with the common bond of animal affection. There, in the midst of war and danger, Ledyard learns what it means to love. He is taught by Drayton, who's faithful companionship proves stronger than any human bond, as well as a lone woman with whom they take shelter. Stripped by poverty and grief, the woman has nothing to offer but love. But no bond, however profound, can keep the war at bay. Together, horse and rider learn to fight for life, for beauty, and for

peace. With Drayton, Ledyard just might find a way to ride out the war without losing his soul.

Our screens are full of science fiction encounters with aliens. But a far more accessible adventure lies at our doorsteps: reaching out with the Gospel to those of other cultures. The privilege of crossing cultural boundaries, and encountering people whose ways of thinking, language and customs differ radically from our own, is a source of excitement. It also presents traps and sometimes threats. Yet to remain monocultural is to impoverish oneself and to leave vast areas of our potential memory banks as empty vaults. God's command is to spread the love and good news of Jesus to all people. Dr Griffiths' title is based on Jesus's instruction to his disciples in Luke 10 I am sending you out like lambs in the midst of wolves. Christ does not send his lambs - us - out to live among wolves to destroy them or to be destroyed, but rather to bond with them and win them over. This comprehensive manual includes chapters on language, empathy, culture shock, appreciating wolf culture, presenting the Gospel, leadership, marriage and singleness, quality of life and much more.
