In this bold and candid memoir, music legend Billy Idol shares his life story, from his childhood in England to his rise to fame during the height of the punk pop revolution, revealing intimate details about the sex, drugs, and rock and roll that he is so fabulously famous for--all told in his own utterly indelible voice. An integral member of the punk rock revolution whose music crossed over into '80s pop mainstream--and one of MTV's first stars--Billy Idol remains an iconic music legend. Now, in his long awaited *Dancing With Myself*, he delivers a lively, candid account of his journey to fame, including intimate and unapologetic details about his life's highs and lows, all rendered with the in your face attitude and exuberance his fans have embraced. Idol brings to life the key events that shaped his life, his music, and his career, including his early childhood in England, his year at Sussex University, and his time spent hanging out with the Sex Pistols and as a member of punk bands Chelsea and Generation X. He shares outtakes from his wildly and unexpectedly successful solo career and stories behind his string of popular hits, including "White Wedding," "Eyes Without a Face," and "Rebel Yell," which involved close collaboration with Steve Stevens and ultimately led to the creation of some of the most groundbreaking music videos ever seen. Featuring sixteen pages of full color, behind the scenes photos, *Dancing With Myself* is both a tale of survival and a celebration of the heady days when punk was born, a compelling and satisfying insider's tale from a man who made music history firsthand

Miles discusses his life and music from playing trumpet in high school to the new instruments and sounds from the Caribbean.

Profiles the life and career of the professional ballerina, covering from when she began dance classes at age thirteen in an after-school community center through becoming the only African American soloist dancing with the American Ballet Theatre.

One of the greatest pitchers of his generation, Tom Glavine delivered the defining moment of the Atlanta Braves' 1990s dynasty. Glavine took the Atlanta-Fulton County Stadium mound for Game 6 of the 1995 World Series and allowed just one hit as the Braves won 1-0 to clinch Atlanta's first, and only, World Series title. Glavine captured the World Series MVP trophy and the hearts of Braves fans forever. In *Inside Pitch*, the left-hander tells the story that led up to this moment of glory and countless others in a Hall of Fame career that spanned 22 seasons. Glavine provides an in-depth look at the Braves' glory years, including his friends and fellow Cy Young Award winners Greg Maddux and John Smoltz and manager Bobby Cox. Glavine also shares memories of teammates from Deion Sanders to Chipper Jones and of playing for owner Ted Turner. He also tells his own story from growing up in a working-class family, pushing himself to succeed and his decision to turn down a chance to play pro hockey, opting for baseball instead. He describes his 300th win, his election to baseball's Hall of Fame, and his later seasons with the New York Mets before returning to close out his career with the Braves. Fans of the Braves, and of baseball, will love Glavine's book. It is filled with all the drama and inspiration that make the game America's passion.

Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

Amore is Mark Rotella's celebration of the "Italian decade"—the years after the war and before the Beatles when Frank Sinatra, Perry Como, Dean Martin, and Tony Bennett, among others, won the hearts of the American public with a smooth, stylish, classy brand of pop. In Rotella's vivid telling, the stories behind forty Italian American classics (from "O Sole Mio," "Night and Day," and "Mack the Knife" to "Volare" and "I Wonder Why") show how a glorious musical tradition became the sound track of postwar America and the expression of a sense of style that we still cherish. Rotella follows the music from the opera houses and piazzas of southern Italy, to the barrooms of the Bronx and Hoboken, to the Copacabana, the Paramount Theatre, and the Vegas Strip. He shows us the hardworking musicians whose voices were to become ubiquitous on jukeboxes and the radio and whose names—some anglicized, some not—have become bywords for Italian American success, even as they were dogged by stereotypes and prejudice. *Amore* is the personal Top 40 of one proud son of Italy; it is also a love song to Italian American culture and an evocation of an age that belongs to us all.

Since 1929, Hollywood's brightest stars have flocked to the Chateau Marmont as if it were a second home. An apartment building-turned-hotel, the Chateau has been the backdrop for generations of gossip and folklore: where director Nicholas Ray slept with his sixteen-year-old Rebel Without a Cause star Natalie Wood; Jim Morrison swung from the balconies; John Belushi suffered a fatal overdose; and Lindsay Lohan got the boot after racking up nearly \$50,000 in charges in less than two months. But despite its mythic reputation, much of what has happened inside the Chateau's walls has eluded the public eye—until now. With wit and insight, Shawn Levy recounts the wild revelries and scandalous liaisons, the creative breakthroughs and marital breakdowns, the births and deaths to which the hotel has been a party. Vivid, salacious, and richly informed, *The Castle on Sunset* is a glittering tribute to Hollywood as seen from inside the walls of its most hallowed hotel.

To open this book is to enter the perilous, thrilling world of Billy Bathgate, the brazen boy who is accepted into the inner circle of the notorious Dutch Schultz gang. Like an urban Tom Sawyer, Billy takes us along on his fateful adventures as he becomes good-luck charm, apprentice, and finally protégé to one of the great murdering gangsters of the Depression-era underworld in New York City. The luminous transformation of fact into fiction that is E. L. Doctorow's trademark comes to triumphant fruition in *Billy Bathgate*, a peerless coming-of-age tale and one of Doctorow's boldest and most beloved bestsellers.

BEA In A Book More than 30 books for adults only are included in our fifth edition of Buzz Books, as we spin off young adults in a separate volume. We offer all the excitement of Book Expo America by sharing substantial pre-publication excerpts from forthcoming books of note. Now everyone has the same access to the newest voices the publishing industry is broadcasting for the fall/winter season.
