Aliens: How Buffy the Vampire Slayer Met a Xenomorph | CBR

Buffy, like most teenage girls, has her blinders on when she meets and falls for Angel, the dark, mysterious, older, brooding guy. Angel is really a vampire with a soul, but when they first meet, he keeps his true identity from her.

Buffy The Vampire Slayer: 5 Times Buffy Was A Good ...

After the fight Buffy is captured and imprisoned, the reasoning being that the only way to stop the Slayer is to imprison her; otherwise another Slayer will just be activated. This is done on the orders of Giles, who is now a vampire. He spares Buffy's friends, but more because they are not important than any lingering emotion towards them.

The Lost Slayer - Wikipedia

The series narrative follows Buffy Summers (played by Sarah Michelle Gellar), the latest in a line of young women known as "Vampire Slayers", or simply " Slayers ". In the story, Slayers, or the "Chosen Ones", are chosen by fate to battle against vampires, demons, and other forces of darkness.

Buffy the Vampire Slayer - Wikipedia

When Buffy has to patrol or is facing a major battle with a new demon or force of darkness, she can't look after Dawn. A lot of times, Dawn gets in the way if she does tag along with Buffy on a mission and Buffy doesn't want to take any chances of having Dawn get caught up in a messy fight with a big bad.

Consequences Sunnydale has always been a haven for creatures of the underworld. But when Buffy Summers awakes in a possible future, she is stunned to discover that Southern California has fallen under vampire rule. Buffy learns that her Slayerettes have already rallied together against the new order. But they're different now: Willow is a full-fledged sorceress, Xander a battle-scarred, humorless man, and Oz a frightening split personality. Almost more shocking is that Faith's gone, and a new Slayer has been called in her stead. Buffy's astonished at the terrifying alternate reality for which only she herself is to blame. Back in the present, Buffy's friends can't figure out why the Slayer is behaving so strangely. They don't realize that the Prophet has inhabited her body. Either they're going to have to bring their friend back or Buffy herself, still trapped in the future, will have to find her own way home -- but not before confronting her worst nightmare.... To be continued...

DOPPELGÄNGLAND Sunnydale. Five years into the future. A bleak, post- apocalyptic future for which the Slayer herself is responsible. Her mother has been killed. Angel is missing and presumed dead. Her friends are different, harder. But that's not the worst of it. Buffy's enemies are different, too.... In this alternate reality, old foes are wreaking havoc in vampire-dominated Southern California. This in and of itself is no surprise. But when Buffy learns that even the vicious Spike is merely a minion, lackey to the chief bloodsucker, she is rocked to the core. For he serves none other than Giles, the Vampire King. Whom Buffy must face and conquer -- as her friends back in real time struggle to bring her disembodied spirit home.... To be continued...

When Buffy awakens in an alternate future, she is stunned to learn Southern California has fallen under vampire rule. Meanwhile, back in the present, Buffy's friends can't figure out why the Slayer is acting so strangely. They don't realize that the Prophet is inhabiting her body. Trapped in another reality, Buffy must find her way home, but not before confronting her worst nightmare.

Since the beginning of time, the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future. This centennial event was called the Dark Congress. In the second century b.c., however, the Dark Congress failed to resolve their conflicts. Instead, the Congress ignited into a war that drove wedges between the various demon races from that time until now. And all of it began as a result of Kandida, the great North African river demon, being nearly killed by forces in the Congress and magically entombed in the riverbank. But now, Kandida is free, and for the first time in centuries, the Dark Congress is being called again. All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence, Rhode Island. Some gather in hopes of resolution, some in favor of war, and Kandida is tasked to broker a treaty and guide the Congress to peace, wherein everyone might simply agree to disagree. And so the demons gather under a banner of a truce. But the demons still harbor many bitter disagreements with one another. The Congress must have an arbiter of these conflicts, and that someone is Buffy Summers. Buffy is horrified and disgusted to be included. After all, she is not a demon...is she? She knows so little about her powers that she cannot say for certain where they truly spring from. How can she spend so much time wallowing in the darkness without becoming part of it? Can she possibly agree to a truce with all the horrors of the world, and allow them to come Providence without any attempt to stop them? And does she have a choice?

Buffy the Vampire Slayer earned critical acclaim for its use of metaphor to explore the conflicts of growth, power, and transgression. Its groundbreaking stylistic and thematic devices, boldness and wit earned it an intensely devoted fan base—and as it approached its zenith, attention from media watchdog groups and the Federal Communications Commission. The grim and provocative evolution of the show over its final two seasons polarized its audience, while also breaking new ground for critical and philosophical analysis. The thirteen essays in this collection, divided into the perspectives of feminist, cultural, auteur and fan studies, explore the popular series ’ conclusion, providing a multifaceted examination of Buffy ’ s most controversial two seasons.

Fan favorite character Wesley Wyndam-Pryce makes his first appearance in this stand-alone issue that will change everything you know about the Watchers! After the devastating effects of Hellmouth, the Watcher ’ s Council convenes to make sure it never happens again. But when recent Watcher initiate Wesley Wyndam-Pryce stumbles across a dark secret, he learns of a conspiracy decades in the making—one that binds Robin, Giles and the Slayer Before together, and shows just how far the Watchers will go to protect the earth.

An extensive anthology compiles eighty stories by genre masters from H. P. Lovecraft to Stephen King, in a volume that also provides a comprehensive bibliography of vampire fiction.

Includes the scripts of the episodes of the second season of the television series "Buffy the Vampire Slayer."

This filmography covers more than 300 horror films released from 1990 through 1999. The horror genre's trends and cliches are connected to social and cultural phenomena, such as Y2K fears and the Los Angeles riots. Popular films were about serial killers, aliens, conspiracies, and sinister "interlopers," new monsters who shambled their way into havoc. Each of the films is discussed at length with detailed credits and critical commentary. There are six appendices: 1990s cliches and conventions, 1990s hall of fame, memorable ad lines, movie references in Scream, 1990s horrors vs. The X-Files, and the decade's ten best. Fully indexed, 224 photographs.

Willow and Buffy head to New York City to unlock the secrets of Buffy's mysterious scythe, when something goes terribly awry. Buffy is propelled into a dystopian future where there's only one Slayer — Fray, the title character of Joss Whedon's 2001 series, the first comic he ever wrote. Their uneasy alliance falls apart, leading to the death of a major character from the TV series, while back in the twenty-first century, the Scotland base falls prey to a mystical bomb courtesy of the Biggest Bad-Twilight.
* The first two volumes of Buffy Season Eight have combined to sell over 160,000 copies!
* Includes the highly anticipated Buffy/Fray crossover, "Time of Your Life," and "After These Messages... We'll Be Right Back," written by Jeph Loeb (Batman: The Long Halloween)!
* "Joss Whedon, the man, the myth, the legend, writes the comic with the same genius as he did the show. The art, penciled by Georges Jeanty, is as faboo as the writing." -Janet Evanovich, New York Times best-selling author of Hard Eight
* "The dialogue is Whedonesque and I can hear how the actors would read there lines. It's fun and witty and we're treated to more fantastical stories than the WB/UPN could ever pony up the money to do." -Comic Book Resources
* A New York Times bestseller!
