Presents an introduction to the features of the Canon EOS 6D.

An introduction to the Canon EOS 6D camera examines the purpose and function of the camera's basic controls and how to use them, accompanied by explanations of menu settings, using the flash, and shooting movies with Live View.

The Canon EOS 70D is the latest of Canon's full-sized DSLR cameras. Its impressive array of advanced capabilities allows the photographer more influence over the final image. This book's exploration of the EOS 70D goes beyond that of the user's manual. It provides illustrations, step-by-step setting adjustments, helpful suggestions for setup, and detailed explanations for each of the camera's many features and menu configurations. The text is illustrated with easy-to-follow screenshots and example images. This book will also introduce intermediate-level camera users to DSLR model-differentiating features such as Wi-Fi and Dual Pixel autofocus. The content covers effective use of the camera's hardware (and some software) as well as certain related accessories, with little emphasis on general photography. Author James Johnson covers everything from basic camera features to advanced photographic options. With this book as your guide, you'll learn to successfully use this powerful camera.

David Busch's Canon EOS R5/R6 Guide to Digital Photography is your all-in-one comprehensive resource and reference for the exciting new Canon EOS R5 and R6 full-frame mirrorless cameras.
