a brain and a spinal cord. And hands for turning the pages.

The old adage truth is stranger than fiction can also be construed as truth is funnier than fiction and we see no shortage of real people doing and saying dumb things and making us laugh in the process. The Editors of Reader ' s Digest present a hilarious collection of dumb people doing dumb things. Every day in America we are bombarded by stupidity; sometimes we just shake our heads, but most of the time we get a good laugh out of the really dumb things people do and say. In our first collection of dumb stories we poke a little fun at the unbelievably dumb things that happen in our lives and have a good chuckle along the way. " You ' re a dumb criminal if...You ' re not picky about your office locations. Christopher Exley of Everett, Washington, was arrested for conducting a drug deal over the phone—in the bathroom of the Everett Police Department. " " During my brother-in-law ' s first performance review, his boss said, " I ' m not quite sure what it is you do here. But whatever it is, could you do it faster? " --Jeanie Waara, Philip, SD " In an attempt to balance work and motherhood, I delegated the grocery shopping to my young babysitter. But the job proved a tad daunting. One day while I was at work, she texted me from the supermarket. " Can ' t find Brillo pads, " she wrote. " All they have are Tampax and Kotex. " --Kimberly Clark, Alpharetta, GA " I overheard an elderly gentleman tell his friend that he couldn ' t meet him the next day because he had to go to the hospital for an autopsy. His friend was sympathetic: " I had one of those last year. Luckily it wasn ' t serious. " --Tracy Moralee, Hitchin, Great Britain

This is my second book " Part Two " of The Girl so Misunderstood. I wanted to continue my story of real life, no lies, all truth of my 32 year marriage. I want women to be able to read this book and know that they not alone. Domestic violence is not just being beat, it verbal, and mental as well. I was told I was fat dumb and stupid.

When the supergiant star Antares exploded in 2512, the human colony on Alta found their pathway to the stars gone, isolating them from the rest of human space for more than a century. When a powerful warship materializes in the system without warning, the commanders of the Altan Space Navy are alarmed. They dispatch one of Alta ' s most powerful ships to investigate, only to discover the unknown behemoth is battered and helmed by a dead crew. This is disturbing news for the Altans as the defeated battleship would have easily defeated the whole of the Altan navy on it ' s own. And if that ship was able to stumble into the Altan system, so too could the force responsible for its destruction. Something must be done.

Sharply observant, laugh-out-loud funny comics from The Believer cartoonist and New York Times illustrator My Dirty Dumb Eyes is the highly anticipated debut collection from award-winning cartoonist Lisa Hanawalt. In a few short years, Hanawalt has made a name for herself: her intricately detailed, absurdly funny comics have appeared in venues as wide and varied as The Hairpin, VanityFair.com, Lucky Peach, Saveur, The New York Times, and The Believer. My Dirty Dumb Eyes intermingles drawings, paintings, single-panel gag jokes, funny lists, and anthropomorphized animals, all in the service of satirical, startlingly observant commentary on pop culture, contemporary society, and human idiosyncrasies. Her wild sense of humor contrasts strikingly with the carefully rendered lines and flawless draftsmanship that are Hanawalt trademarks. Whether she ' s revealing the secret lives of celebrity chefs or explaining that what dogs really want is a tennis-ball bride, My Dirty Dumb Eyes will have readers rolling in the aisles, as Hanawalt ' s insights into human (and animal) behavior startle and delight time and again.

Recovering from the recent suicide of her ex-boyfriend, senior class president Keisha Montgomery finds herself attracted to a dangerous, older man.

A dark and disturbing thriller that, "reads like *Gone Girl* through a teen lens." - Kirkus Reviews Becca and Johnny become entangled after a car crash steals the lives of two people they love. Officially, the crash is an accident. But Becca and Johnny are convinced: someone did this. As they plot revenge against the person responsible, a bond--intense, unyielding, and manic--takes hold of them. And in an unexpected turn of events, they fall for each other. Or so they think. In an upside-down world where decay is beautiful and love and hate become one, Becca and Johnny find themselves grappling with reality. Nothing is exactly what it seems, including what they've come to believe about the crash. Question is: will they learn the truth before it's too late? No. The question is: when they learn the truth, will they care? Praise for *If You Wrong Us*: "...a gripping page-turner and a thought-provoking primer on the merits of revenge." -School Library Journal "...the climactic showdown is gripping, and the path to it has plenty of grim twists and turns to hold readers' attention." - Publishers Weekly "Really good thriller. The plot is very twisty...Klehr is definitely a must read author for me now." - Midnight Book Girl, YA Blogger "I loved this mystery. My heart broke for Johnny and I liked Becca despite everything. The writing was great and kept me on the edge of my seat. Excellent mystery novel for the young adult crowd (or if you just like YA)." -Youth Librarian, Goodreads "It was fantastic...There was a twist at the ending that I was not expecting . I was on the edge of my seat the entire time." -Janine, Netgalley ARC Review "If You Wrong Us is an intricately thought-out thriller... drawing the reader into the deepest recesses of their psyches. The truth about the car accident ...is surprisingly intriguing, holding the reader captive. It is a thoroughly enjoyable read." VOYA Teen Reviewer "With short chapters, brisk pacing, and unexpected plot twists, *If You Wrong Us* should appeal to reluctant readers. The novel reads like a...teen movie thriller." VOYA Topics: mystery, thriller, psychological thriller, page-turner, suspense, addictive, dark romance, teen thriller, angsty, stalker, new adult, lgbtq, college romance, forbidden romance, best friend romance, Dawn Klehr, forbidden love, romantic suspense, forbidden, standalone, page-turner, twist, unexpected ending, riveting, twisty, creepy, scary, stalker romance, dark, suspenseful, film, filmmaker, film nerds, domestic thriller, film noir, domestic noir, *Gone Girl*, *One of Us is Lying*.

A riveting account of America ' s second war with England, from the #1 New York Times – bestselling author of *The Miracle of Dunkirk*. At the dawn of the nineteenth century, the great powers of Western Europe treated the United States like a disobedient child. Great Britain blocked American trade, seized its vessels, and impressed its sailors to serve in the Royal Navy. America ' s complaints were ignored, and the humiliation continued until James Madison, the country ' s fourth president, declared a second war on Great Britain. British forces would descend on the young United States, shattering its armies and burning its capital, but America rallied, and survived the conflict with its sovereignty intact. With stunning detail on land and naval battles, the role Native Americans played in the hostilities, and the larger backdrop of the Napoleonic Wars, this is the story of the turning points of this strange conflict, which inspired Francis Scott Key to write “ *The Star-Spangled Banner* ” and led to the Era of Good Feelings that all but erased partisan politics in America for almost a decade. It was in 1812 that America found its identity and first assumed its place on the world stage. By the author of *A Night to Remember*, the classic account of the sinking of the *Titanic*—which was not only made into a 1958 movie but also led director James Cameron to use Lord as a consultant on his epic 1997 film—as well as acclaimed volumes on Pearl Harbor (*Day of Infamy*) and the Battle of Midway (*Incredible Victory*), this is a fascinating look at an oft-forgotten chapter in American history.

A Volume in the *Star Decades: American Culture/American Cinema* series, edited by Adrienne L. McLean and Murray Pomerance --Book Jacket.
