Las escuelas de baile se han multiplicado en nuestras ciudades y los programas de TV han convertido a esta modalidad en conocida para el gran público. Pero, ¿cómo se consigue ser un bailarín de éxito?; ¿qué hay detrás de alto rendimiento en Baile Deportivo? Esta obra recoge la experiencia aplicada de diferentes profesionales con amplia experiencia en el trabajo con bailarines y ofrece multitud de herramientas para lograr el máximo rendimiento desde la preparación física, la psicología, la nutrición, la fisioterapia y la podología. Se trata de una obra clave para cualquier bailarín, entrenador, padre o preparador que quiere alcanzar su mejor versión y permanecer en la élite.

call to jump-start economic growth by aggressively overhauling liberal democracy. Around the world, people who are angry at stagnant wages and growing inequality have rebelled against established governments and turned to political extremes. Liberal democracy, history's greatest engine of growth, now struggles to overcome unprecedented economic headwinds--from aging populations to scarce resources to unsustainable debt burdens. Hobbled by short-term thinking and ideological dogma, democracies risk falling prey to nationalism and protectionism that will deliver declining living standards. In *Edge of Chaos*, Dambisa Moyo shows why economic growth is essential to global stability, and why liberal democracies are failing to produce it today. Rather than turning away from democracy, she argues, we must fundamentally reform it. *Edge of Chaos* presents a radical blueprint for change in order to galvanize growth and ensure the survival of democracy in the twenty-first century.
