Clean Run, 164 pp., 2008; \$29.95. Jim Hutchins. Backyard agility can be a fun activity for you and your dog, but if you price heavy-duty aluminum equipment like dog-walks and A-frames, you'll find that it's not exactly budget friendly. Which is why Jim Hutchins' second edition of Do-It-Yourself Agility Equipment: Constructing Agility Equipment for Training or Competition couldn't be more timely; like the first, it offers clear, concise instructions and helpful illustrations from ...

Homemade equipment can be used to train your dog at home but not used in a professional course. When fashioning your agility items, contact your local kennel club or other dog agility sponsoring organization to check on the proper measurements for equipment appropriate for your dog's size and breed. If you do not want your dog to compete professionally, you can use agility equipment to help with his exercise and obedience training and to boost his confidence.

photographs. The unique method from proven champions strengthens the connection between any dog and his owner, and success is guaranteed for any breed, from miniature poodle to border collie. Every step has a specific drill that improves fitness and shapes behavior. Whether you want to compete on an agility team or simply have fun in your back yard, this is the only guide you'll need for a lifetime of satisfaction.

Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you to tailor train to your dog's unique traits and energy level--leading to quicker results and a much happier pet. Packed with everything you need to know to raise and care for your dog, this book will help you communicate and bond with one another in a way that makes training easier, more rewarding, and--most of all--fun!

This Kids Edition of the internationally best-selling 101 Dog Tricks presents tricks, games, and crafts specifically designed to get children involved in training the family dog. Step-by-step instructions and photography show kids exactly what to do. Having your children train the family dog to perform tricks is an ideal way for them to build a safe and respectful relationship with their pet. Plus, it's a great way for kids and dogs to bond, build confidence, and have fun. Color photos show kids performing each step of the activity along with succinct descriptions of the numbered steps. The step-by-step approach, difficulty rating, and prerequisites will allow you and your child to start training easily and immediately. No special tools (such as clickers) or knowledge of specific training methods are required. The amazing, yet simple-to-learn, tricks and games include: Hide-and-seek Peekaboo Hoop jump Balance on a brick Tidy up toys into toy box Also included are fun arts and crafts projects that kids can make for and with their dogs, including paw paintings, personalized dogwear, handmade dog toys, and painted pet portraits. Help kids do more with the family dog with 101 Dog Tricks, Kids Edition! Also by Kyra Sundance, learn to do even more with your dog with: 101 Dog Tricks; The Dog Tricks and Training Workbook; 51 Puppy Tricks; 10-Minute Dog Training Games; Dog Training 101; The Pocket Guide to Dog Tricks; Kyra's Canine Conditioning; and The Joy of Dog Training.

Training your dog (and yourself) for agility competitions will create a fun working relationship that both of you can enjoy. Find everything you need to know in this fun guide that includes information on pre-agility training, detailed advice on correction-free training and step-by step agility training techniques. Also learn how to make your own agility obstacles use a clicker as a motivational tool, and officially enter agility trials. Participation in agility competitions can build a strong, enduring bond between you and your dog, Read The Beginners Guide to Dog Agility to learn the ins and outs of this exciting hobby.

Presents unique craft projects that have been seen on the Life hacks for kids YouTube show, including feather earrings, melted crayon art, a headband holder, and indoor s'mores, and includes questions answered by Sunny.

Australian Shepherd Training - Dog Training for your Australian Shepherd puppy The training of dogs is often... .. confused with classical dog training drills ... only considered necessary for demanding dogs ... mocked by other dog owners ... replaced by anti-authoritarian methods ... considered too difficult to achieve without experience. What constitutes dog training and what is it good for? And how can you and your Australian Shepherd profit from it without having any experience? The most important thing is to understand how a dog sees his world, what is "normal" for him and how you can use this to your advantage. In addition, the characteristics of each breed are significant when you get beyond the basic training phase. Your Australian Shepherd will show characteristics which are different to those of a Husky, for example, and this is predominantly what you need to consider during training. This book is vol. 1 of the Australian Shepherd training books. Vol. 2 for your grown up Australian Shepherd is also available with the title "Australian Shepherd Training Vol. 2: Dog Training for your grown-up

Australian Shepherd" Author Claudia Kaiser says about her book: "It was my desire to let other dog owners profit from the knowledge I have gained over many years, and after making many mistakes. I love my dog and know how important it is to adapt the training to suit each breed. It is exactly this desire that prompted me to write this book. My aim is to help every beginner, not only to understand his dog better, but also to know exactly how to get the best results, step-by-step, so that you can achieve a close, positive and trusting human-dog relationship." Quench your curiosity to know about background information, read reports on other experiences and obtain step-by-step instructions and secret tips which are tailor-made for your Australian Shepherd. Get your copy of this book today and experience... .. how your Australian Shepherd sees his world ... and how you can progressively train your dog to receive the best results. Your Australian Shepherd will appreciate it... .. so this is my advice: Don't hesitate to buy this book! Content of this book: About the Author Preface What you need to know about your Australian Shepherd Cornerstones of training puppies Before the puppy arrives The first few weeks The first commands Training basic knowledge Special Chapter - The hunting instinct Check list for the start Conclusion

Enjoying Dog Agility (2nd edition) is the premier beginner's guide to the fast-growing sport of dog agility. Author Julie Daniels, a national and international agility champion and one of the early pioneers of the sport in the United States, has written an upbeat and informative must-read that shares her insight into all aspects of agility, from initial training of the dog to competing and succeeding in agility trials. A perfectly crafted guide for novice agility handlers, Daniels's book teaches handlers to motivate their dogs, use positive-training techniques, and, most of all, have fun with their dogs. Divided into two sections, the book begins with "This Is Agility," the section that introduces readers to the basic requirements of the sport, methods of handling the dog, conditioning for the dog, and developing true teamwork with the dog. The second section is devoted to "The Obstacles" and discusses how to train the dog for all of the major obstacles found at trial: the apertures (open and closed tunnels and tire jump), the ramps (A-framed, dogwalk, and seesaw), the jumps (bar and solid jumps, spread jumps, and broad jumps), the pause table, and the weave poles. Each obstacle in Section II is presented with step-by-step training instructions on how to introduce the dog to the obstacle and how to navigate it, including avoiding and fixing problems along the way. As Stuart Mah (of Rising Stars Dog Agility) says of the author and her classic text, "Long-considered one of the 'grand dames' of dog agility, Julie Daniels writes in an easy-to-understand style. Reading Enjoying Dog Agility is like having Julie there, discussing agility with you personally." Fully indexed for ease of reference.
