The Dominator: a dark mafia romance: Volume 1: Amazon.co.uk...
The Dominator is far from a pretty hearts and flowers tale. The Dominator is set in the world of organised crime. It's dark, depraved and far from romantic. Tommy is no knight in shining armour, in fact, he's the exact opposite and makes no apologies for this.

The Dominator, released January 23, 2015, was DD Prince's first release and it's a story that has been in her mind since she was a teenager. This series has more than 1000+ 5-star Goodreads ratings. I've been ripped from my life & handed over to become property of Tommy Ferrano, a criminal who is beautiful outside but ugly inside.

The story is a dark-style romance with themes of dominance, possessiveness and questionable consent which seems to be all the rave at the moment and selling like hotcakes with a plethora of authors going down this path which is why I'm assuming this author has followed along. The book is completely over the top.

If you liked The Dominator, you'll want to read the story of Dario Ferrano falling in love. This is a mafia romance. Reading book one before reading this book is recommended and necessary. Want more Ferrano alpha male hotness? Get to know Dario a whole lot better in this continuation story about the Ferrano family, Dario is Tommy's younger brother and after seeing his brother fall in love Dare's new motto is MAN WHORE NO MORE! Dare wants his happily ever after. But, after Dare comes home from his brother's wedding and celebrates his 25th birthday he gets a posthumous gift from his father, one that'll change the course of his life. *** Before my father died he arranged for my brother to get married, gifted him with a girl. After I saw the impact of that girl on my brother's life I joked with him that I wanted a mail-order bride for my upcoming birthday, joked about it with emotions about my now sister-in-law that I should not EVER have been feeling. My father joked back that he was already shopping around and would find me a perfect fit. At least I'd thought he'd been joking. But when I got home from my brother's wedding I found out that before Pop died he had gotten that ball rolling. He'd gotten things rolling in a way that could not be stopped and that was going to be a problem. A messy problem. See, my Pop was deeply involved in a human trafficking ring, one of the many involvements he'd neglected to tell me and my brother about as he prepared us to take over the family business. We never knew that what he'd had in mind for us was just the top skim off a cesspool of filth he'd been too happy to be wading in. We had suspicions but we had no clue just how filthy it truly was. A little less than two months before my birthday he had asked me what I wanted in a bride. "What's on your wish list, son?" Pop asked. "Beautiful. Redhead. But she has to want what I want from life. She has to have an insatiable sexual appetite but want kids and a picket fence, too." "How about if she's all those things because she does exactly what you tell her to do? How about if she's been schooled in all the ways to please a man in and out of the bedroom?" "That's too good to be true, Pop. Too bad such a woman does not exist." I'd laughed it off and our conversation got cut short. I'd always wanted a wife and kids. I wanted the picket fence and enough kids to start my own soccer team. But when I caught my fiancée cheating on me with the DJ we'd hired for our wedding my heart went cold and what my sister dubbed my 'man whore years' began. After seeing Tommy's life change because of falling in love I decided that maybe it was time to open my mind up to the possibilities of connecting with someone again beyond a one night stand. But when I got home from my brother's wedding, ready to start the massive job of cleaning up the family business so that I could move on with my life and think about finding my own happily ever after I found out that Pop had already ordered my mail order bride. And I couldn't cancel that order. She's waiting for me to pick her up near Bangkok. She's been told she has been sold and is going back to North America. She's about to turn 23, she's a beautiful redhead, and she's been in captivity for 2 years. There's no way I can accept this gift, keep a woman who was bought for me. I need to pick her up and set her free. Don't I? Warning: Explicit sex scenes. Profanity. Dark themes. This book's heroine is a sex slave that gets rescued. She's broken. The book does not spend chapter after chapter describing her abuse in detail but there is some explicit content related to her memories.

Love an over-the-top possessive dirty-talking book boyfriend who is an alpha male biker without being an alpha-hole? You need to meet Deacon. Standalone. No cliffhanger Contains: smokin' hot steamy scenes, romance, drunk texting, erotic spankings, a battery-operated boyfriend, dirty-talking, shoe shot-put, celebrity and puppet impersonations, a soft drink war, pudding shooters, laughs, tears, a bit of darkness. Oh... and an HEA.Deacon is a beautiful biker who sets eyes on his girl and decides he's going to go to any lengths to: -make her his and only his, -keep her safe amid some very amped circumstances with his MC and a rival club -give her a wild ride on the way toward happily ever after.Detour is the first book in a set of standalone but linked love stories about the Dominion Brotherhood MC.Meet Deacon: He's 28, tall, dark, gorgeous, and 100% alpha male. In the relationship department, things either go one way or the other. He either shows them a good time and moves on, never going back for seconds, or he stakes a claim and things get serious REAL fast. It's been a long while since he's been motivated to claim anyone. Deacon has what some might classify a problem with possessiveness and jealousy. But he's got good reasons for this. And when he does stake his claim, he means it. And he allows no one to mess with that.Meet Ella: Ella, 23, feels like the Marilyn Munster of her eclectic household. Despite her crazy hippie parents and rambunctious little brother, her life is boring and humdrum. And her love life is so far off the mark that she considers herself in a serious relationship with her battery-operated boyfriend. She's having trouble shaking off an ex that won't go away and fending off her partying friends who continually hassle her to either party with them or be their designated driver.But things are about to get real for Ella. Real fast.Very soon after she notices the new Beautiful Biker in town she finds herself in a real pickle. In fact, Ella keeps finding herself in trouble. And Deacon, whose MC has just opened a chapter, biker bar, and garage in Ella's town, (much to the chagrin of an existing rival MC), notices Ella, too. Deacon keeps swooping in to save Ella's bacon from a variety of tight spots.And because of that, it draws even further attention to her. Someone or several someones want revenge against Deacon and his MC and don't mind using a biker's woman to make their point.Ella has been warned away from Deacon. And she worries that her heart will go SPLAT if she lets the beautiful biker get too close.But it's too late. Ella has no choice because Deacon is determined to get right in her space.This book contains a hot alpha book boyfriend, steamy hot scenes, some laughs, and plenty of biker romance action. And because it comes from the brain of DD Prince, it has a little bit of darkness, too.Standalone, no cliffhanger.

To the world Imran may appear to be a rich, handsome buffoon with his sports car, eccentric dress sense and bizarre sense of humour—but in reality he possesses a razor-sharp mind, and the agility, strength and quick wits of the perfect spy. His colleagues at the secret service make fun of him, but little do they know that he is their mastermind chief X2—a man who can defeat any enemy and solve all mysteries. Detective Imran is spy-novelist Ibn-e Safi's greatest creation and the bestselling Imran series are Urdu cult classics, translated into English for the first time. The House of Fear: Dead bodies have been found in an abandoned house, each bearing three identical dagger marks, exactly five inches apart. Who is behind these eerie murders? Only Imran can solve this mystery. The House of Fear is the first book in the Imran series. Shootout at the Rocks: Colonel Zargham knows he is in grave danger when he receives a three-inch wooden monkey in the mail. This is no ordinary threat, but a warning from the two-hundred-years-old Li Yu Ka, one of the world's deadliest gangs. The monkey will be followed by a wooden snake, and then a wooden rooster, after which the colonel will be swiftly murdered. Only one man stands between Li Yu Ka and his death: genius sleuth, Ali Imran.

In the critical essays collected in Black Looks, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and especially film—and her aim is to create a radical intervention into the way we talk about race and representation. As she describes: "the essays in Black Looks are meant to challenge and unsettle, to disrupt and subvert." As students, scholars, activists, intellectuals, and any other readers who have engaged with the book since its original release in 1992 can attest, that's exactly what these pieces do.

If madness has a name...it's hers. She is an artist seeking solace. He is a serial killer seeking vengeance.She doesn't remember.He remembers it all She is broken.He is obsessed.She wants truth.He wants revenge.One of them is guilty.One of them is innocent.Both of them want to win.And for that one of them has to die.Warning: Dark Romance18+ due to sexual content, profanity, abuse, graphic violence, and adult subject matter.

I have tried in this revision to incorporate the main lessons of the last sixteen years. These lessons have been considerable. I consider it a real and extensive revision-even though I had to do only a moderate amount of re-writing-because the main thrust of the book has been modified in important ways which I shall detail below.

When Empire appeared in 2000, it defined the political and economic challenges of the era of globalization and, thrillingly, found in them possibilities for new and more democratic forms of social organization. Now, with Commonwealth, Michael Hardt and Antonio Negri conclude the trilogy begun with Empire and continued in Multitude, proposing an ethics of freedom for living in our common world and articulating a possible constitution for our common wealth.
