Fragments is an event--an unforgettable book that will redefine one of the greatest icons of the twentieth century and that, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity. Marilyn's image is so universal that we can't help but believe we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety--and by the way the camera fell helplessly in love with her. Beyond the headlines--and the too-familiar stories of heartbreak and desolation--was a woman far more curious, searching, witty, and hopeful than the one the world got to know. Now, for the first time, readers can meet the private Marilyn and understand her in a way we never have before. Fragments is an unprecedented collection of written artifacts--notes to herself, letters, even poems--in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. Jotted in notebooks, typed on paper, or written on hotel letterhead, these texts reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life, but also playful, funny, and impossibly charming. The easy grace and deceptive lightness that made her performances indelible emerge on the page, as does the simmering tragedy that made her last appearances so affecting.

Marilyn Monroe's image is so universal that we can't help but believe that we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety -- and the way the camera fell helplessly in love with her. But what of the other Marilyn? Beyond the headlines -- and the too-familiar stories of heartbreak and desolation -- was a woman far more curious, searching and hopeful than the one the world got to know. Even as Hollywood studios tried to mold and suppress her, Marilyn never lost her insight, her passion, and her humour. To confront the mounting difficulties of her life, she wrote. Now, for the first time, we can meet this private Marilyn and get to know her in a way we never have before. Fragments is an unprecedented collection of written artifacts -- notes to herself, letters, even poems -- in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. These bits of text -- jotted in notebooks, typed on paper or written on hotel letterhead -- reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life, but also playful, funny and impossibly charming. The easy grace and deceptive lightness that made her performances so memorable emerge on the page, as does the simmering tragedy that made her last appearances so heartbreaking. Fragments is an event -- an unforgettable book that will redefine one of the greatest stars of the twentieth century and which, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity.

Through a series of never-before-published letters and diaries, as well as some rare photographs, *Fragments* explores the life and mind of an icon, Marilyn Monroe. A unique look into the private thoughts and reflections of one of Hollywood's brightest and most tragic stars. Marilyn Monroe lived the Hollywood dream. Born into a difficult family situation, subjected to foster care and claims of illegitimacy, Norma Jean Baker managed to rise from her humble upbringing to international stardom with classic comic performances in *Some Like It Hot* and *Gentlemen Prefer Blondes* and many others. But the beautiful and charismatic Monroe was haunted by illness and psychological distress. After her unexpected death by overdose, Monroe has become one of the most intriguing and most beloved of Hollywood's fallen stars. *Fragments* offers a sensitive and personal insight into the mysterious and tragic Marilyn Monroe through never-before-seen letters and documents, revealing the woman behind the legend.

A biography of the screen legend employs thirty-five thousand formerly sealed documents--letters, diaries, and other papers--to examine virtually every aspect of Monroe's life and death.

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as "the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

There have been many Marilyn Monroe photo books—but nothing like this. Curator and photographic preservationist David Wills has amassed one of the world's largest independent archives of original Marilyn Monroe photographs. Now, in *Marilyn Monroe: Metamorphosis*, he has gathered spectacular, museum-quality work from Marilyn's key photographers—Richard Avedon, George Barris, Cecil Beaton, Bernard of Hollywood, Andre de Dienes, Elliott Erwitt, Milton Greene, Philippe Halsman, Tom Kelley, Douglas Kirkland, Willy Rizzo, Sam Shaw, and many others—to create this dazzling portfolio of images from every period of Marilyn Monroe's adult life, from her wedding day in 1942 till just weeks before her death two decades later. *Marilyn Monroe: Metamorphosis* pays homage to her continually evolving style and extraordinary beauty. Among the highlights: Previously unseen Kodachrome, dye transfer, and Carbro prints of Norma Jeane from her modeling career. Classic portraits and pinups in luscious full color, digitally restored from the original transparencies. Never-before-seen photos from the sets of *The Seven Year Itch*, *Some Like It Hot*, *The Misfits*, and *Something's Got to Give*. Rare candid of Marilyn with Marlon Brando, Clark Gable, Humphrey Bogart, Lauren Bacall, Ronald and Nancy Reagan, Queen Elizabeth II, Joe DiMaggio, Arthur Miller, and others. Previously unpublished photos by Richard Avedon, George Barris, Cecil Beaton, David Conover, Elliott Erwitt, John Florea, Tom Kelley, Richard C. Miller, Frank Powlony, Willy Rizzo, Zinn Arthur, and many others. Pairing more than two hundred first-generation photos with reflections on Marilyn from her friends, work associates, and admirers—and including her last interview, in which she reflects on her life and fame—*Marilyn Monroe: Metamorphosis* is an unforgettable showcase of the actress's transformation from an unknown factory worker to one of the most recognized faces in history.

Published for the fiftieth anniversary of her tragic death, this definitive account dispels the rumors and sets the record straight on her last two years Marilyn Monroe passed away at the age of thirty-six under circumstances that have remained mysterious to this day. *Marilyn Monroe: The Final Years* separates the myths and rumors from the facts as Keith Badman takes readers through the concluding months of 1960 to that fateful day in August 1962. In this extraordinary book—the product of five years of exhaustive research—the author is both biographer and detective: Badman uncovers long-lost or previously unseen personal records, exclusive interviews, and eyewitness accounts that illuminate the final chapter of Marilyn's life as she navigates weight gain, drug use, and personal turmoil, along with drama on the set of the ill-fated movie *Something's Got to Give*. Badman dispels popular beliefs, such as her supposed affairs with John and Bobby Kennedy. (Monroe only had a one-night stand with the president at Bing Crosby's house, and never with Bobby.) Readers learn the long-concealed identity of her biological father, who refused Marilyn's attempt to contact him in 1951—and was then repaid with her apathy ten years later when he attempted to contact her. The author also reveals the details of her famous "last sitting" with photographer Bert Stern (which was not her last photo shoot) and describes the horror she endured after being tricked into being institutionalized at the Payne-Whitney Psychiatric Clinic, from which ex-husband Joe DiMaggio had to pull strings to secure her release. Perhaps most shockingly, we learn of the regrettable incident in which a drunken Monroe was sexually exploited by mobsters at a Lake Tahoe hotel co-owned by Frank Sinatra. Finally contrary to the salacious rumors that Marilyn was suicidal or the victim of a murder and cover-up, Badman discloses new information about her final days alive and reveals, in unequivocal detail, evidence that indicates Monroe's death was accidental. Above it all, Badman pays homage to Monroe by rescuing her final months from the realm of wild and sensationalized allegations popularized by those who sought to gain from them. *Marilyn Monroe: The Final Years* sheds new light on an immortal movie legend.
