Dragons, a prophecy, a curse and a reverse harem of the most important dragons. It's crazy tempting and honestly not that bad if you really like all these elements even if it's done a little bland. The beginning is good, I love the thief idea and to use it as a way to Dragon's Fire is smushed together version of the whole blood prophecy series, five tiny books make for a one long ass read huh.

A girl with dark magic who

Stolen from her homeland. Separated from her mates. Is there any hope for Dareena and her dragons? Or is their kingdom destined to fall? When Drystan and his brothers managed to drive their madness-stricken father from the throne, Dareena thought the worst of their troubles were over. But the elves are knocking at their door, demanding reparations, and with a new general at the helm, they will not let Dragonfell off the hook so easily. To buy their kingdom time, and save their armies from certain destruction, Dareena and Alistair allows themselves to be taken to Elvenhame, where they will be held hostage until the countries can come to an agreement. But while the two kingdoms squabble, the real enemy continues its insidious assault. Both Dragonfell and Elvenhame unknowingly teeter on the brink of destruction, and unless Dareena and her mates can uncover the true conspiracy, their world will fall to darkness...

My name is Hope, and I'm going to die. I only have a few days—two weeks, tops. With the time I have left, I'm doing what I want, when I want. My plans are simple: 1) hang out in a fancy beach bungalow, sleeping in long past the break of dawn 2) drink until I'm numb 3) try to escape fate with a fancy magic spell that I have no business performing Magic doesn't exist, so of course the spell fails. But three mysterious hotties start following me around, saying they're bound to me. Why not make the most of it and add one more thing to my bucket list: 4) crazy hot sextytimes, no holds barred Who cares if my three hotties seem a little more than human? I'm living in the moment for the time I have left—time I want to spend in pleasure instead of pain. Hope Reclaimed is a steamy, standalone reverse harem romance featuring three hot dragon shifters and the lucky woman they claim as their mate. Don't worry, Hope will seize her happily ever after. We promise! additional keywords: shifters, dragons, beach, ocean, reverse harem, whychoose romance, magic, crystals, witch, shapeshifters, illness, terminal

Being a runaway princess isn't always as fun as people think... Stuck in the human realm when the world ended, Rhianna just keeps running...until the wolves at her heels catch up and she uncovers a plot to bring back civilisation in the worst possible way. All she has to do, is stop it before any more innocents end up dead. - Fall Of Hope is the first book in the Return Of The Fae Series, and is Rhianna's complete story. It is a paranormal apocalyptic book with a low heat reverse harem romance. It was previously titled Wolf Blessed. Only the title and cover have been updated.

Blythe Li is a wellspring—a vessel containing magic that can only be used by a magi. The only problem is, women aren't supposed to be wellsprings. In a world where powerful female magic workers rule, and vulnerable male wellsprings must follow the rigid social norms meant to keep their magic pure from corruption, Blythe doesn't fit in anywhere. She can't actually use magic, the way a woman should. Wellsprings can't own property and have very little in the way of basic rights. And Blythe has no hope of making a fortuitous match and becoming a magi's favored lover and pet, the way a male wellspring would. Instead, she's an embarrassment and burden to her parents, who already have a house full of normal boy wellsprings to marry off. Blythe's world is turned upside down when a commission for a clockwork dragon ends with a proposal she never could have imagined—and leaves her bonded to the future queen of the Imperial American States. But this is no Cinderella story. Blythe's future wife, Raina, is engaged in a quiet, deadly battle of politics and power with the current regent as she approaches her coming of age and her ascension to the throne. Blythe soon finds herself fighting alongside Raina for every freedom she's ever dared dream of, as they try to completely remake a kingdom. But will Raina's efforts to gather the support of a misfit court with the magic of only a pair of newly bonded wellsprings be enough to save them all from accusations of treason, murder, and all-out war? Clockwork Dragon is an “outside the box” romance of monarchy and mayhem. It is set against a rich steampunk regency backdrop in an alternate world where magic has influenced the development of technologies and nations, and where Regency and Victorian era gender norms are reversed. It features a clockwork dragon guard dog, an irreverent and intimidating future queen, a metal-worker-turned-consort, and a poly relationship with a vessel of fire and air. Oh, and airships... plenty of airships. This story includes diverse characters and LGBTQIA elements, including lesbian, bisexual, and poly romance, as well as reversed and fluid gender norms. Author's Note: This isn't your usual reverse harem. It isn't your usual steampunk book. And these aren't your usual victorian/regency gender norms.... *99,000 words without any extra “fluff” at the end. *This book is not a serious historical book. It is a fantasy and liberties have been taken! *The initial/main romance in this book is F/F; however it later develops into a poly relationship with M/F, F/F, M/M, and M/F/F scenes. *There may be mentions of trauma, though this isn't explicit on the page stuff. *There is some mild-moderate violence. *No, I can't send you your own Sparrow. Sorry. *This book is intended to be a stand-alone story. Whether there are any more books in this world will depend entirely upon demand and the graces of the writer muse.

Dragon Mate is the second story in the Blood World series. Featuring Vampires, Shifters and a covert Witch. This story is packed with action, adventure and a steamy why-choose Reverse Harem romance between two bounty hunters, an ancient Vampire and a woman with the rarest blood in town. Three possessive, paranormal men share one badass woman... Sadie, Rogan and Fridge are working together and hot on the trail of the Vampire who killed Sadie's father. Finally, clues seem to be adding up and they are making headway... but things aren't easy. Fridge, Sadie's dragon-shifter mate has deep-seated commitment issues, while Rogan, Sadie's wolf-shifter mate wants to become the best family unit around. When a vampire assassin Sadie assumes is her father's killer kidnaps her and ignites a mating-bond, she's in real trouble. Not only that, but he wants to join their triad! Can the three men get along as they continue their quest to find a killer and take apart the Blood Ring that would capture Sadie and drain her life? Or will the Blood World politics destroy them all? *** Author warning- there will be a cliffhanger ending to this book, and this series is best READ IN ORDER. :)

Just when Sophia thinks she's got a handle on things going on in the dragon town, her whole world is rocked, quite literally. The town Sophia grew up in is in a very bad state. Earth dragons are going missing, leaving young kids orphaned, and nobody knows what's going on or where they're taken. To make it even worse, a group of rebels who were supposed to bring supplies to the town haven't shown up, making everyone worried that they've been caught by the renegade fae soldiers. Sophia and her men turn to an unusual source in their desperation to find answers, a magically sealed room at the hidden dragon library. A place nobody has been able to get into in decades. When Sophia manages to finally unlock the room with a spell passed down from her witch father, everything she thought she knew changes. It seems her father was involved in things that nobody had any idea about, showing a side to him that Sophia doesn't know how to combine with what her mother told her about him. To top it off, she's confronted with a half-sister she had no idea existed, a half-sister with fae and witch blood. Can Sophia and her men find out what happened to the missing earth dragons? And how much is Sophia's father involved with what's going on in the town right now? But most importantly, can they heal the town and the people in it, so that they can thrive again, like they used to? This collection includes the second three novellas in the Guarding Their Dragon Mate serial, Captured Dragon, Reclaimed Dragon and Ferocious Dragon, a six episodes long reverse harem #WhyChoose story. These novellas may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the first 10 parts of the other series. Both series can be read stand-alone, they are about different characters, but they are connected.

It is the end of days... Ripped from her life and her loves, Teagan spent five hellish years in a demon infested mine. The darkness she experienced, living on within her long after her rescue. Lost without her loves, she worries as the darkness grows—she will not become the evil they have faced. Sacrificing her identity will protect those she is supposed to serve... and after everything else she's paid, Teagan sees no other choice. They will never give up... Thaddeus, Aidan, Noah, Eric, and Brody live for one reason—revenge. They will destroy Sister Superior for her part in the death of their love. Battle and hate fill the void where their Sister should be, but when they get word that Teagan might be alive—nothing will stand between them and the woman they love.

Filthy, vicious, bitter, snob: words whispered in dark corners to describe The Elite. And now, they're All. Mine. Best friends since they were kids, the Elite always had each other's back. As the strongest, most loyal group of dragon shifters in the Queen's Guard, they rule their world with a clenched fist. They work together seamlessly and ruthlessly enforce strict rules. No one screws with them. And they never let a woman get between them. ...Until me. ****Carrie and the Broken Dragons is a dark, paranormal romance with a HEA at the end of Carrie and the Dangerous Dragons. This book features one woman and three sexy & demanding, asshole dragon shifters.**** Buy now to dive into this paranormal romance world!

Sophia's family turns out to be even more... complicated, than she originally knew. When Sophia and her men finally make it into the magically locked room in the library, the room that has as far as they know been closed off for decades, they not only find out how long Sophia's father's side of the family has been in the area, but that they've secretly been doing research for the fae the whole time. The five's nosing around in the room triggered some alarm and Sophia's half-sister shows up to check out what's going on. Her half-sister, who Sophia had no idea existed and who has a fae mother... Things should have become easier now that Sophia and the others have found her family's research in the library and can use it to their advantage, but more than answers, it throws up questions for Sophia. Questions about her father, about who she really is, who the rest of her family are and what they've done to the people from the town where she grew up. Most of all, it throws up questions for her about what it means to be a half-dragon, now that the connection she felt with her witch side of the family has gotten so tainted. This is the fifth novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected.
