Fifteen-year-old Menolly allies with magnificent dragons in the first book in the Harper Hall trilogy, set within science fiction legend Anne McCaffrey's beloved and bestselling Dragonriders of Pern series. For centuries, the world of Pern has faced a destructive force known as Thread.

The planet Pern has been colonized for centuries by humans. When humans first settled on this world, they did not take notice of its sister planet, which had an indigenous life form that attempted to land on Pern when it came within reach. These silver "threads" fell in a destructive wave on the temperate lands of Pern once every 200 years, destroying all life they encountered. To combat this menace, the inhabitants of Pern developed a species of dragon that could burn these threads out of the sky before they touched down. Now, centuries have passed between threadfalls, and the danger of thread is considered a myth. However, a dragon rider named F'lar knows that the riders are once again needed.

Science fiction legend Anne McCaffrey's beloved Harper Hall trilogy, set within the bestselling Dragonriders of Pern series, is now available in a collectable boxed set. Every two hundred years or so, on the planet colony of Pern, shimmering Threads fall from space, raining death. Yet the great dragons of Pern, mounted by the stalwart dragonriders, scour the skies with fire to destroy the deadly Thread and save the planet. Here we meet Menolly as she navigates her way as the first journeywoman Harper in the history of Pern; and fellow student Piemur whom is secretly asked to leave Harper Hall, drafted by Masterharper Robinton to embark on a dangerous mission to the Southern Hold. As destruction falls from the sky, Menolly has only one dream: to sing, play, and weave the music that comes to her so easily—she wishes to become a Harper. But despite her great talents, her father believes that a young girl is unworthy of such a respected position and forbids her to pursue her dreams. So Menolly runs away, taking shelter in a cave by the sea. Miraculously, she happens upon nine fire lizards that could possibly save her world...and change her life forever. A young woman allies with magnificent dragons in the Harper Hall trilogy, set within science fiction legend Anne McCaffrey's beloved and bestselling Dragonriders of Pern series. This collectable box set include all three books in the trilogy: Dragonsong, Dragonsinger, and Dragondrums.

In this triumphant return to Pern, Anne McCaffrey takes us on an adventure as surprising and unforgettable as any that has come before . . . It is a time of hope and regret, of endings and

beginnings. The Red Star, that celestial curse whose eccentric orbit was responsible for Thread, has been shifted to a harmless orbit, and the current Threadfall will be the last. Technological marvels are changing the face of life on Pern. And the dragonriders, led by F'lessan, son of F'lar and Lessa and rider of bronze Golanth, and Tia, rider of green Zaranth, must forge a new place for themselves in a world that may no longer need them. But change is not easy for everyone. There are those who will stop at nothing—not even violence—to keep Pern and its people pure. And now a brand-new danger looms from the skies . . . and threatens a catastrophe of unimaginable proportions. Once again, the world looks to the dragons and their riders to solve the crisis and save the world. But now, as the friendship of F'lessan and Tia begins to bloom into something more, unforeseen tragedy strikes: a tragedy destined to forever change the future—not just of the two young lovers, but of every human and dragon on Pern . . .

Kindan is an apprentice harper at the Harper Hall but he is finding the lessons very difficult and although he has his friends, Nonala, Kelsa and Verilan, he also has enemies, such as the bully Vaxoram. Things begin to improve for Kindan when he beats Vaxoram in a duel and Vaxoram becomes first his servant and then gradually his trusted friend. Then Kindan impresses a fire-lizard and becomes the proud owner of the magnificent Valla. At the hatching he meets Koriana, daughter of Lord Holder Bemin of Fort Hold. She also impresses and she and Kindan fall in love, but her parents disapprove and she has to return to Fort Hold. Then a plague begins to spread across Pern, killing nearly everyone infected. Kindan and his friends search the harper records to see if they can find a cure, but all they can find is mention of a similar plague over a hundred Turns past. As the plague gets worse Kindan and Vaxoram are sent to Fort Hold to help tend the sick. Kindan will be reunited with Koriana, but will she be free of the plague, and will he be able to find a cure before more people die?

Volume III of The Dragonriders of Pern®, the influential series by sci-fi/fantasy titan Anne McCaffrey Never in the history of Pern has there been a dragon like Ruth. Mocked by other dragons for his small size and pure white color, Ruth is smart, brave, and loyal—qualities that he shares with his rider, the young Lord Jaxom. Unfortunately, Jaxom is also looked down upon by his fellow lords, and by other riders as well. His dreams of joining the dragonriders in defending Pern are dismissed. What else can Jaxom and Ruth do but strike out on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one that will push their bond to the breaking point . . . and threaten the future of Pern itself.
