For fans of smart romantic comedies, this is a clever Cinderella story with a tech twist. When Public Corporation, a giant tech company, announces a contest for the best app developed by a high school student—with \$200,000 in prize money—computer whiz Audrey McCarthy is all in. Audrey's been searching for her one ticket out of town ever since her dad died and her best friend, perfect and popular Blake Dawkins, turned into her worst nightmare—and this scholarship may be it. Audrey comes up with an idea so simple, yet so brilliant, she can't believe it hasn't been done before: the Boyfriend App. With a simple touch of the screen, romance blooms among the unlikeliest couples at school—and people start to take notice. But it's not quite enough. To beat out the competition, Audrey will have to dig deeper—right into a scandal that would rock Public to its core. Launched into unexpected fame and passionately kissed by the hottest guys in school, Audrey finds that her invention has thrown her life into complete chaos . . . but can it bring her true love?

Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.

Fans of Kristen Ashley and Chantal Fernando will love this intense, sexy, suspenseful romance about an ex-motorcycle club member who falls in love with his son's kindergarten teacher.

I'm the first-born son of the mafia king. The favorite. Destined to rule, I'm a dangerous man, a ruthless one. But in my world, you have to be. Then Natalie stumbles into my life. Wrong place. Wrong time. Twice, fate put her in my path. Twice, fate placed the innocent lamb at the mercy of the monster. I gave her a chance to walk away. Told her it would be better for her if she did. But she didn't listen. And now it's too late. Because I'm not good. I never wanted to be. And I won't let her go anymore. See, I'm not the hero. When I touch her, it's with dirty hands. I know my reckoning is coming though. I know I'll burn for the things I've done, the sins I've committed. And I don't deny hell is where I belong, but I want my time first. I want my time with her. She's mine. Forever. No matter what. Author's Note: Sergio is an emotional romance set in the Benedetti Mafia world. It is not a traditional romance. It is recommended that you read both Salvatore: a Dark Mafia Romance and Dominic: a Dark Mafia Romance before reading Sergio's story.

Discover the New York Times bestseller that SLJ called “A fantastic plot that makes readers think about the blurred lines between right and wrong.” After a brutal nuclear war, the United States was left decimated. A small group of survivors eventually banded together, but only after more conflict over which family would govern the new nation. The Westfalls lost. Fifty years later, peace and control are maintained by marrying the daughters of the losing side to the sons of the winning group in a yearly ritual. This year, it is my turn. My name is Ivy Westfall, and my mission is simple: to kill the president's son—my soon-to-be husband—and return the Westfall family to power. But Bishop Lattimer is either a very skilled actor or he's not the cruel, heartless boy my family warned me to expect. He might even be the one person in this world who truly understands me. But there is no escape from my fate. I am the only one who can restore the Westfall legacy. Because Bishop must die. And I must be the one to kill him... The Book of Ivy series is best enjoyed in order. Reading Order: Book #1 The Book of Ivy Book #2 The Revolution of Ivy

Gia I'm the daughter of a foot soldier. The sister of a snitch. Monsters have been part of my life for as long as I can remember, but the morning I woke in that cold, abandoned cabin with Dominic Benedetti looming over me, I knew I'd met the darkest of them all. He took me to break me. But I'm not so easy to break. And when he saw the mark on me, everything changed. But I've never believed in fairy tale endings and happily-ever-after doesn't belong to people like us. Some love thrives in the light. Dominic and I, we belong in the dark. Dominic I'm the last-born son of the Mafia King. The one with nothing to lose. I walked away from my family. Turned my back on everything that should have been mine and became what I was meant to be. A monster. Until the day I stood over Gia cowering in the corner of that decrepit cabin in the woods. Until I saw the mark they'd put on her. It was then I understood something my father used to say. Keep your friends close, your enemies closer. My enemies had overplayed their hand. It was past time I returned to the family. Past time I collected the debts owed me. And long past time I punished those who betrayed me.

Ele é meu inimigo... e minha missão. Uma noite – é só o que deveria ser. Uma noite de paixão crua e primitiva. Quando o avião dele cai, deveria ser o fim. Mas é apenas o começo. Eu traí Lucas Kent e agora ele me fará pagar.
