A valuable source for those interested with the withdrawal from Dunkirk. Originally published in November 1940 It is an authentic account of the coasters and cargo steamers, yachts, motor cruisers, sailing barges, lifeboats, paddle vessels, destroyers, sloops and dinghies, that took their part and effected what experts had considered impossible.

Originally printed: New York: Viking Press, 1982.

The subject of the new major film by Christopher Nolan It could have been the biggest military disaster suffered by the British in the Second World War, but against all odds the British Army was successfully evacuated, and 'Dunkirk spirit' became synonymous with the strength of the British people in adversity. On the same day that Winston Churchill became Prime Minister, Nazi troops invaded Holland, Luxembourg and Belgium. The eight-month period of calm that had existed since the declaration of war was over. But the defences constructed by the Allies in preparation failed to repel a German army with superior tactics.The British Expeditionary Force soon found themselves in an increasingly chaotic retreat. By the end of May 1940, over 400,000 Allied troops were trapped in and around the port of Dunkirk without shelter or supplies. Hitler's army was just ten miles away. On 26 May, the British Admiralty launched Operation Dynamo. This famous rescue mission sent every available vessel – from navy destroyers and troopships to pleasure cruisers and fishing boats – over the Channel to Dunkirk. Of the 850 'Little Ships' that sailed to Dunkirk, 235 were sunk by German aircraft or mines, but over this nine day period 336,000 British and French troops were safely evacuated. Drawing on the wealth of material from the Imperial War Museum Sound Archive, Forgotten Voices of Dunkirk presents in the words of both rescued and rescuers in an intimate and dramatic account of what Winston Churchill described as a 'miracle of deliverance'.

\*\*\* Special 75th Anniversary Edition \*\*\* Hugh Sebag-Montefiore's Dunkirk: Fight to the Last Man tells the story of the rescue in May 1940 of British soldiers fleeing capture and defeat by the Nazis at Dunkirk. Dunkirk was not just about what happened at sea and on the beaches. The evacuation would never have succeeded had it not been for the tenacity of the British soldiers who stayed behind to ensure they got away. Men like Sergeant Major Gus Jennings who died smothering a German stick bomb in the church at Esquelbecq in an effort to save his comrades, and Captain Marcus Ervine-Andrews VC who single-handedly held back a German attack on the Dunkirk perimeter thereby allowing the British line to form up behind him. Told to stand and fight to the last man, these brave few battalions fought in whatever manner they could to buy precious time for the evacuation. Outnumbered and outgunned, they launched spectacular and heroic attacks time and again, despite ferocious fighting and the knowledge that for many only capture or death would end their struggle. A searing story ... both meticulous military history and a deeply moving testimony to the extraordinary personal bravery of individual soldiers' Tim Gardam, The Times 'Sebag-Montefiore tells [the story] with gusto, a remarkable attention to detail and an inexhaustible appetite for tracking down the evidence' Richard Overy, Telegraph Hugh Sebag-Montefiore was a barrister before becoming a journalist and then an author. He wrote the best-selling Enigma: The Battle for the Code. One of his ancestors was evacuated from Dunkirk.
