In post-apocalyptic America, Benny Imura and his friends set out into the great Rot & Ruin hoping to find a better future but are soon pitted against zombies, wild animals, insane murderers, and the horrors of Gameland.

Six months have passed since the terrifying battle with Charlie Pink-eye and the Motor City Hammer in the zombie-infested mountains of the Rot and Ruin. It's also six months since Benny Imura and Nix Riley saw something in the air that changed their lives. Now, after months of rigorous training with Benny's zombie-hunter brother Tom, Benny and Nix are ready to leave their home forever and search for a better future. Lilah the Lost Girl and Benny's best friend Lou Chong are going with them. Sounds wonderful. Except that everything that can go wrong does. And not everyone in Benny's small band of travellers will make it out alive.

An all-new story continuing the events from the award-winning series of novels. Meet Benny, Nix, Lilah, and Chong as they stay one step ahead of the zombie hordes.

“ The third time ’ s the charm with even more adventure—and gore—as the Rot & Ruin series continues ” (Kirkus Reviews). Reeling from the devastation of Dust & Decay, Benny Imura and his friends plunge deep into the zombie-infested wastelands of the great Rot & Ruin. Benny, Nix, Lilah, and Chong journey through a fierce wilderness that was once America, searching for the jet they saw in the skies months ago. If that jet exists then humanity itself must have survived...somewhere. Finding it is their best hope for having a future and a life worth living. But the Ruin is far more dangerous than any of them can imagine. Fierce animals hunt them. They come face to face with a death cult. And then there ’ s the zombies—swarms of them coming from the east, devouring everything in their paths. And these zoms are different. Faster, smarter, and infinitely more dangerous. Has the zombie plague mutated, or is there something far more sinister behind this new invasion of the living dead? One thing Benny and his companions can ’ t afford to forget: In the great Rot & Ruin, everything wants to kill you.

When Benny and his friends learn that a scientist may have discovered a cure for the zombie plague, they mount a search and rescue mission, unaware that the reapers want the cure to wipe humanity off the face of the earth.

In the zombie-infested, post-apocalyptic America where Benny Imura lives, every teenager must find a job by the time they turn fifteen or get their rations cut in half. He expects a tedious job whacking zoms for cash, but what he gets is a vocation that will teach him what it means to be human. New York Times bestselling author Jonathan Maberry returns to the world of Rot & Ruin with this first novel in a series that ' s more thrilling and filled with exceptionally terrifying adventures. Ever since her mother ' s death, Gabriella “ Gutsy ” Gomez has spent her days flying under the radar. But when her mother ' s undead body is returned to her doorstep from the grave and Gutsy witnesses a pack of ravagers digging up Los Muertos—her mother ' s name for the undead—she realizes that life finds you no matter how hard you try to hide from it. Meanwhile, Benny Imura and his gang set out on a journey to finish what Captain Joe Ledger started: they ' re going to find a cure. After what they went through in the Rot & Ruin, they think they ' ve seen it all, but as they venture into new and unexplored territory, they soon learn that the zombies they fought before were nothing compared to what they ' ll face in the wild beyond the peace and safety of their fortified town.
