This book was written for ESL students whose written work looks like this: "It was a busy day at the store. She was a talk on the phone. She not want buy candy for child. He wasnt early his date, he buy eggs but his child she play." In this book, students progress slowly and methodically, with ample writing practice each step of the way. The book starts with the basics the difference between a word, sentence, and paragraph; the difference between a paragraph and a list; how to distinguish complete from incomplete sentences and moves forward from there. Students shed bad usage and punctuation habits early as they learn to edit their work and progress from writing simple paragraphs to writing paragraphs with more varied and complex sentences. This book s methodology is simple; each chapter includes short lessons in grammar, sentence structure, and mechanics that students work through in preparation for an end-of chapter writing assignment that, in most cases, is based on a personal experience.

Take it step-by-step for writing success! The quickest route to learning a subject is through a solid grounding in the basics. So what you won ' t find in Easy Writing Skills Step-by-Step is a lot of endless drills. Instead, you get a clear explanation that breaks down complex concepts into easy-to-understand steps, followed by highly focused exercises that are linked to core skills--enabling learners to grasp when and how to apply those techniques. This book features: Large step-by-step charts breaking down each step within a process and showing clear connections between topics and annotations to clarify difficulties Stay-in-step panels show how to cope with variations to the core steps Step-it-up exercises link practice to the core steps already presented Misteps and stumbles highlight common errors to avoid You can master writing as long as you take it Step-by-Step!

This is a fun and user – friendly way to learn English English Made Easy is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self – guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 2 consists of a total of 20 units arranged in groups of five. The first four units presents language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with pronunciation guide. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

Whether you're a native English speaker or not, you've most likely realized that English is a tricky language. Almost every grammar rule has variations and exceptions, which make the language confusing and challenging. The good news is that English instructor Sitara Maruf has now put her original curriculum into an easy-to-use guide, so you can independently study and strengthen your grammar. She uses familiar examples from daily life and explains grammar rules and concepts, one topic at a time. She also points to variations and exceptions and how to avoid common mistakes. s Which article can be used before a noncount noun? s Which verb tenses do not need helping verbs? s How is a comma used with quotation marks? From parts of speech and articles to capitalization and punctuation, she also clears up trouble spots, to help you understand, apply, and remember the rules. Moreover, there are worksheets, quizzes, and answers to test your new knowledge. Once you have satisfied your intellectual curiosity, this guide will serve as a future reference and a supplement for English and writing courses. Today, begin your journey toward achieving a greater command of English grammar and increasing your confidence in speaking and writing English.

A proven grammar-based approach that gets you communicating in Spanish with confidence, right away Easy Spanish Step by Step proves that a solid grounding in grammar basics is the key to mastering a second language. Grammatical rules and concepts are clearly explained in order of importance, and more than 300 verbs and key terms are introduced on the basis of frequency. Numerous exercises and engaging readings help learners quickly build their Spanish speaking and comprehension prowess.

Understanding how English grammar works can be quite daunting; even more so if English is not your native tongue. However, in today's competitive world you need to get the grammar right, especially in written English. Whether you write simple business emails or complicated academic papers and whether you are a professional or a student, using the correct grammar will give you a competitive edge because it helps you get your message across more clearly and shows that you pay attention to detail. This book offers you a basic introduction to the grammar rules of English. This book focuses on the different parts of speech and shows you how to use English correctly. It is structured in the form of lessons, each ending with at least one short exercise to help you check your understanding of what you've learned in that lesson. At the end of the book you'll find longer exercises mixing everything together. You can use this book not only to learn English grammar but also as a basic reference guide when you are unsure of how to structure a sentence and which words to use.If you want to understand the basics of English grammar and improve your language skills, This book will guide you every step of the way.

Thank you for your interest in this book. It's great you have chosen to be empowered and be your own boss, helping people at the same time. Being a Private Tutor is very rewarding, and not just through the great feeling you get from being able to help someone. How to Become a Private English Language Conversation and Pronunciation Tutor is suitable for any native English speaker wishing to teach English to ESL adults, no matter what their teaching experience is. If you've never taught before, this book gives you advice on how to get started. This book includes information on; how to be a great ESL teacher; how to start up your English tutoring business; guides to writing your advertisements; how to run private English conversation lessons; over 10 hours worth of conversation and pronunciation exercises to get you started; where to find further teaching resources online, and much more. Over 150 pages of information to get you

started. There is even an entire chapter on how to start your own online Tutoring service. You don't have to tutor people in your own town. You could be teaching people around the world! This book is designed for native English speakers so presupposes expert use of English conversation and pronunciation skills. (If you do not speak English as a native it may still be useful to you if you frequently get the top score in official English exams) Please note that this guide also presumes that you have some knowledge or experience of how to make use of the exercises inside. While general guides are included, familiarity with lesson planning will make the exercises in this book easier for you to use in your lessons. Thank you again. Wishing you all the best in your private English Tutoring Service.
