Jan Brett's intricate illustrations make a stunning picture book of a favorite story--this time featuring Noah's granddaughter. As the floodwaters rise, she helps take the animals onto the ark and get them settled down. But it's not easy when giraffes are sleeping next to pandas and lions are curled up with turkeys. Finally the gentle rocking of the ark lulls them all to sleep until the waters recede and Grandpa Noah, his family, and all the animals leave the ark. This simple telling, combined with extraordinary illustrations of every animal imaginable, makes *On Noah's Ark* perfect for young and old.

A long time ago, the people of the world were not treating each other kindly. God was very sad, and so he decided to send a flood to cover the entire world. However, one man, Noah, and his family were very good people, so God told Noah to build a big boat and to gather two of every kind of animal to be kept safe in the boat when the flood arrived. Noah did as God commanded and soon he, his family, and all the animals were drifting in the flood waters. After many weeks of waiting, the flood went away and Noah, his family, and the animals were able to again return to land. God set a rainbow in the sky, promising Noah that he would never again flood the earth. Share this remarkable and classic Bible story with young ones with this delightful new picture book. With stunning art by Helen Dardik, and simplified text for little readers, *The Story of Noah's Ark* is sure to become a favorite for families.
