industrial, territorial and social
inclusiveness in the world economy.

Over the past 20 years, the perception of tourism as an effective contributor to socio-economic development in the developing world has propagated, with many viewing tourism as a provider for poverty

Read Book Economics Question Paper March 2014

alleviation and towards other UN Millennium Development Goals. Over the same period, readers have become familiar with the paradoxes, complexities and inequalities of tourism in relation to development, wealth creation, growth, redistribution, governance and 'hosts-guests' relationships. This volume further

Read Book Economics Question Paper March 2014

extends this critical debate with a much-needed cohesive publication on Sub-Saharan Africa (SSA). In an era of fluctuating tourist arrivals at global level, the growth of tourism in SSA requires deeper consideration in terms of its inconsistent and questionable implications at local level. Taking as a central theme

Read Book Economics Question Paper March 2014

the debate on whether tourism should be used in development efforts, this book examines the way in which tourism has controversially become the way forward to development in several SSA locations and assesses bottlenecks to sustainable development as well as dilemmas and challenges faced by those SSA

Read Book Economics Question Paper March 2014

destinations seeking to achieve development through tourism. It offers an explicit set of chapters adopting a multi-disciplinary approach, drawing upon tourism studies, human geography, sociology, anthropology, political economy, development and environmental studies, and integrates case studies

Read Book Economics Question Paper March 2014

authored by local African practitioners and academics to produce a book that gave voice to local experts on local realities. Combining an overview of key theories, concepts, contemporary issues and debates as well as practical insights from a wide range of regions in SSA, this book will be a valuable resource for those investigating

Read Book Economics Question Paper March 2014

the role of tourism in development.

As the shock of the 2008 European financial crisis begins to subside, it is time for scholars to step back and analyze the crisis's causes and effects from a multidisciplinary vantage point. *Europe in Crisis* examines the current state of the

Read Book Economics Question Paper March 2014

European economy, society, and polity, both on the theoretical and political levels, by placing special emphasis on its current crisis. With important contributions from heterodox economists and radical social and political scientists, this innovative new edited collection seeks to evaluate past efforts and policies (mainly since World

Read Book Economics Question Paper March 2014

War II), criticize the failed neoclassical/neoliberal perspectives, and offer alternative strategies and policies to Europe's socioeconomic impasse and misery.

Leading academics from around the world, who specialize in analysing maritime

Read Book Economics Question Paper March 2014

strategic issues, deliberate the impact of the American 'pivot' or 're-balance' strategy, and the 'Air-Sea Battle' operational concept, on the maritime power and posture of a number of selected states. Intending to strengthen US economic, diplomatic, and security engagement throughout the Asia-Pacific,

Read Book Economics Question Paper March 2014

both bilaterally and multilaterally, the re-balance stands out as one of the Obama administration's most far-sighted and ambitious foreign policy initiatives.

In this paper, we discuss the modern history of monetarism and its alternatives, as well as the changing empirical

Read Book Economics Question Paper March 2014

relationship of various measures of money and inflation. After demonstrating that previous naïve correlations between money and inflation as established in the 20th century literature have largely disappeared, we explain why this cannot be taken as support for an increased reliance on permanent monetary finance.

Read Book Economics Question Paper March 2014

Rather, we argue that rapid technological innovation in payments systems—both public and private—including in global pledged collateral markets, portends a declining demand for central bank liabilities.

Over time there has been a

Read Book Economics Question Paper March 2014

miscommunication between mainstream economics and human rights that has paved the way to a justificatory ideology that validates the submission of human rights to the logic of market capitalism. This book shows how the discourse of mainstream economics is intrinsically opposed to the strengthening of human

Read Book Economics Question Paper March 2014

rights and outlines the principles upon which a human rights-based political economy can be built. Considering a variety of recognized human rights, such as the right to water and sanitation, the right to social security, the right to work, cultural freedom and democracy, this book describes how mainstream economics

Read Book Economics Question Paper March 2014

theory conflicts with these rights and explores alternative modes of thinking that incorporate human rights concerns into economics. Moreover, the book also reflects on the teaching of political economy for human rights. It sets out that a political economy favourable to human rights must be pluralist, interdisciplinary,

Read Book Economics Question Paper March 2014

participatory, de-commodified, non-utilitarian and non-consequentialist. The author proposes that it must not only assume the performative character of economics but also, and especially, its transformative purpose. Political Economy for Human Rights will offer students, academics, activists and policy makers

Read Book Economics Question Paper March 2014

useful tools to understand some of the main contradictions of contemporary societies and new paths leading to a more just and fraternal world. It will also be of great interest to the general public concerned with human rights and economic issues.

Read Book Economics Question Paper March 2014

This book brings together a range of papers on transnational lives, mobility and gender studies from various disciplinary perspectives and geographical contexts, including European, African and American countries. The thirteen contributions to the volume provide insights into transnational migration and

Read Book Economics Question Paper March 2014

family issues, offering a renewed theoretical approach to the differing conditions in migration access in origin societies and the scope of social inclusion in the receiving countries. The diversity of the authors' backgrounds and the range of geographical contexts allow a wider understanding of the family in the

Read Book Economics Question Paper March 2014

transnational space, one that considers mobility as a developmental opportunity for individuals, whose consequences in the contemporary world have not yet been sufficiently studied.
