The Composer's Guide to the Electric Guitar is an essential book for composers, arrangers, and electric guitarists. It is the only book on the market that provides in-depth coverage on how to compose for all aspects of the electric guitar. the book provides notation for all standard plectrum performance practices, harmonics, and extended techniques. It compares the key components that distinguish common types of electric guitars. There is also significant information about sound processors and how they affect the guitar's tone and timbre. the book comes with a compact disc that provides audio corresponding to the music examples. This is a valuable book for composers of any musical genre. It also makes a great reference book for electric guitarists who wish to have the complete profile of their instrument.

(Book). Backbeat's successful Handbook format applied to the world's most popular instrument. The Electric Guitar Handbook is the latest entry in Backbeat's best-selling handbook series, combining a two-part book and an audio CD in a practical lay-flat binding for ease of reference when playing. Part one of the book examines how different types of electric guitars are made, and why varying construction methods influence the way guitars sound. It also looks at the role of various pieces of guitar hardware, including pick-ups, tremolo set-ups, and bridges. Part two is a comprehensive, user-friendly course in playing the electric guitar, from the basics of posture and hand positioning to music and tab reading and advanced performance. Newly written exercises presented in the book and also on the accompanying CD take the learner through each step in the process, covering styles including rock, country, blues, soul/funk, indie/alternative, and metal. Author Rod Fogg also offers practical advice on everything from simple scales to complex chords, alongside short features introducing key performers and styles.

(Book). The BOSS BR-1180 Quick Guide is the fast way to get happening on BOSS's most powerful new digital recorder.
