Hailed as one of the greatest novels of all time and a classic of world literature, War and Peace is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In War and Peace (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

What Is Love? "It is amazing how complete is the delusion that beauty is goodness. A handsome woman talks nonsense, you listen and hear not nonsense but cleverness. She says and does horrid things, and you see only charm. And if a handsome woman does not say stupid or horrid things, you at once persuade yourself that she is wonderfully clever and moral." - Leo Tolstoy, The Kreutzer Sonata Upon hearing a woman arguing that marriage should never be arranged and always be subject to love, Pozdnyshv asks: 'What is love?' He condemns the argument saying that love doesn't last forever and can quickly turn into hatred. What is Pozdnyshv's story? Why doesn't he believe in love? The Russian novelist and moral philosopher Leo Tolstoy (1828-1910) ranks as one of the world's great writers, and his 'War and Peace' has been called the greatest novel ever written. But during his long lifetime, Tolstoy also wrote enough shorter works to fill many volumes. The message in all his stories is presented with such humour that the reader hardly realises that it is strongly didactic. These stories give a snapshot of Russia and its people in the late nineteenth century.

Nominated as one of America's best-loved novels by PBS's The Great American Read Often called the greatest novel ever written, War and Peace is at once an epic of the Napoleonic Wars, a philosophical study, and a celebration of the Russian spirit. Tolstoy's genius is seen clearly in the multitude of characters in this massive chronicle—all of them fully realized and equally memorable. Out of this complex narrative emerges a profound examination of the individual's place in the historical process, one that makes it clear why Thomas Mann praised Tolstoy for his Homeric powers and placed War and Peace in the same category as the Iliad: "To read him . . . is to find one's way home . . . to everything within us that is fundamental and sane."

"Anna Karenina" and "War and Peace" branded Tolstoy as one of the greatest writers in modern history. Few, however, have read his wonderful short stories. Tolstoy's novel of spiritual regeneration offers a panoramic view of 19th-century Russian social life, recounting the sins of a young nobleman and his attempts in later life to redress his transgressions.

On one occasion the overworked serfs sent a delegation to Moscow to complain of their treatment to their lord, but they obtained no satisfaction. When the poor peasants returned disconsolate from the nobleman their superintendent determined to have revenge for their boldness in going above him for redress, and their life and that of their fellow-victims became worse than before.

Count Lev Nikolayevich Tolstoy was born on September 9, 1828 in Russia. He is usually referred to as Leo Tolstoy. He was a Russian author who is regarded as one of the greatest authors of all time. Leo Tolstoy is best known for his novels War and Peace (1869) and Anna Karenina (1877). Tolstoy's fiction includes dozens of short stories and several novellas such as The Death of Ivan Ilyich, Family Happiness, and Hadji Murad. He also wrote plays and numerous philosophical essays. Tolstoy had a profound moral crisis and spiritual awakening in the 1870's which he outlined in his work, A Confession. His literal interpretation of the ethical teachings of Jesus, centering on the Sermon on the Mount, caused him to become a fervent Christian anarchist and pacifist. His ideas of nonviolent resistance which he shared in his works The Kingdom of God is Within You, had a profound impact on figures such as Mohandas Gandhi and Martin Luther King, Jr. On September 23, 1862 Tolstoy married Sophia Andreevna Behrs. She was the daughter of a court physician. They had 13 children, eight of whom survived childhood. Their early married life allowed Tolstoy much freedom to compose War and Peace and Anna Karenina with his wife acting as his secretary and proofreader. The Tolstoy family left Russia in the aftermath of the Russian Revolution and the subsequent establishment of the Soviet Union. Leo Tolstoy's relatives and descendants moved to Sweden, Germany, the United Kingdom, France and the United States. Tolstoy died of pneumonia at Astapovo train station, after a day's rail journey south on November 20, 1910 at the age of 82.
