The bestselling phenomenon and inspiration for the award-winning film. Earthy, magical, and utterly charming, this tale of family life in turn-of-the-century Mexico blends poignant romance and bittersweet wit. This classic love story takes place on the De la Garza ranch, as the tyrannical owner, Mama Elena, chops onions at the kitchen table in her final days of pregnancy. While still in her mother's womb, her daughter to be weeps so violently she causes an early labor, and little Tita slips out amid the spices and fixings for noodle soup. This early encounter with food soon becomes a way of life, and Tita grows up to be a master chef, using cooking to express herself and sharing recipes with readers along the way.

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

“Eight romance authors walk into a Regency-era ballroom and wreak fabulous, shimmering holiday mischief all over the place.”—Publishers Weekly Christmas 1815. Upstairs and downstairs, Holbourne Abbey is abuzz with preparations for a grand ball to celebrate the year’s most festive—and romantic—holiday. For at the top of each guest’s wish list is a last chance to find true love before the New Year . . . “The tales are rather sentimental, a box of chocolates with sweet, soft centers inside a dark covering, a pleasant confection for the holiday season. My personal favorites are Anne Gracie’s ‘Mistletoe Kisses,’ a charming variant on the Cinderella story, and Susan King’s ‘A Scottish Carol,’ whose lovers must struggle to find healing for the wounds of self-doubt and past failures; but there is ample variety here for other tastes. Recommended for lovers of Regency romances.”—Historical Novel Society “In this wonderful collection of eight short stories, Christmas in the Regency world is brought to life in extraordinary fashion, with love, secrets, scoundrels and heroes of every description.”—Fresh Fiction “If what you are looking for is a set of short stories with a common location and holiday feel that are well done, quick to read, and entertaining then this will be a book for you . . . one of the best historical romance collections I’ve read in a long time.”—Smexy Books “Each author’s unique style and storytelling talents are at their best, gifting readers one scrumptious treat after another . . . glowing with the joy and romance of the yuletide.”—RT Book Reviews (4 Stars)

A New Compact History of Mexico es una versión no sólo nueva sino innovadora, ya que sus textos fueron preparados especialmente para esta edición por siete académicos distintos de los autores que escribieron A Compact History of Mexico. Esta obra conserva la intención de ofrecer conocimiento histórico básico de la historia de nuestro país de una manera sintética y accesible a todo público. La primera edición de A Compact History of Mexico es de 1974. Cuarenta años después, El Colegio de México ofrece a los lectores una obra nueva no sólo por los autores que colaboran en ella, sino por su división temática, sus enfoques, sus planteamientos, una cobertura más amplia de la historia nacional y sobre todo por una visión más moderna y mejor fundamentada.

The men depicted in the Bible were not perfect by any means. We find story after story marked by scandal, failure, and intrigue. Yet we also find many stories of men who were able to look beyond their circumstances, completely trust in the Lord, and follow Him wherever He chose to them. Like us, these men made both good and bad decisions along the way—and experienced both good and bad consequences—and we
