English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. Through universal topics and activities, and a focus on intercultural competence as a 'fifth skill', this international coursebook helps learners become more sensitive, more effective communicators. Teaching natural, dependable language, and with CEFR goals at its core, it brings real life into the classroom and gives learners the skills and strategies to communicate confidently outside it. The 'Explore' sections provide the extra ingredients for enhancing communicative ability, from further development of speaking skills to independent learning strategies. The English Unlimited Elementary A Combo includes Coursebook units Intro to 7 as well as the e-Portfolio and Self-Study DVD-ROM.

This comprehensive book provides a clear analysis of the European Restructuring Directive, which aims to improve national frameworks governing business restructuring and insolvency as well as to provide debt relief for individuals. Gerard McCormack explores the key aspects of the Directive including the moratorium on litigation and enforcement claims against the financially-troubled business, the provision for new financing, the division of creditors into classes, the introduction of a restructuring plan and the rules for approval of the plan by a court or administrative authority.

General English for Aviation is a new book aimed for false beginners to intermediate English language learners.The content of this book was thought to help learners to get started in the world of aviation while developing their listening and conversation skills to interact with people in real-situation communication.This book also provides information for teachers on the topics that will be taught at the beginning of each Unit and a brief reference guide of the goals to be achieved by the students.IN THIS BOOK, YOU WILL FIND: Easy-to-use 'Warm-up and Pre-Listening' or 'Warm-up and Pre-Reading' sections to help students to get acquainted with new vocabulary; 'Time to Practice 1' and 'Time to Practice 2' to help students in the communication skill building; 'Drill Exercises' to teach grammar structures easily and make students practice the vocabulary learned previously for each Unit; A varied range of 'Exercises' for further grammar and vocabulary practices; 'Roleplay' exercises that focus on the real-world communication in aviation to wrap-up all the grammar and vocabulary learned through the Unit; The 'Challenge' section which provides the students the opportunity to express their own opinion and debate on the topics learned or use their creativity to reproduce or re-create the dialogues from the Unit; An on-line audio material for the listening activities.
