Introduced in 1961, the Gibson SG is Gibson ' s biggest-selling guitar of all time, and is synonymous with Angus Young (AC/DC lead guitarist), Tony Iommi (Black Sabbath) and Robby Krieger (The Doors). The SG was originally produced as a more easily manufactured ' mass-production ' version of the Les Paul, sales of which were diminishing at the time, but the solid-bodied SG (' Solid Guitar ') soon became a revered instrument in its own right. Superbly illustrated and designed, this manual includes case studies of key models – everything from a vintage SG ' Les Paul ' to a 2011 SG 50th Anniversary model – but also gives appropriate attention to today ' s affordable Epiphone versions, Specials, Juniors and Melody Makers.

SCP Foundation anomalies SCP-1000 through to SCP-1999, including containment procedures, auxiliary documents, experiment logs and interview transcripts. An encyclopedia of the unnatural. The Foundation Operating clandestine and worldwide, the Foundation operates beyond jurisdiction, empowered and entrusted by every major national government with the task of containing anomalous objects, entities, and phenomena. These anomalies pose a significant threat to global security by threatening either physical or psychological harm. The Foundation operates to maintain normalcy, so that the worldwide civilian population can live and go on with their daily lives without fear, mistrust, or doubt in their personal beliefs, and to maintain human independence from extraterrestrial, extradimensional, and other extranormal influence. Our mission is three-fold: Secure The Foundation secures anomalies with the goal of preventing them from falling into the hands of civilian or rival agencies, through extensive observation and surveillance and by acting to intercept such anomalies at the earliest opportunity. Contain The Foundation contains anomalies with the goal of preventing their influence or effects from spreading, by either relocating, concealing, or dismantling such anomalies or by suppressing or preventing public dissemination of knowledge thereof. Protect The Foundation protects humanity from the effects of such anomalies as well as the anomalies themselves until such time that they are either fully understood or new theories of science can be devised based on their properties and behavior. ————— About the ebook This ebook is an offline edition of the second series of fictional documentation from the SCP Foundation Wiki.
