Definition Questions. One type of question a student will see on a service marketing exam focuses on providing strong definitions. Examples include defining service marketing, defining service loyalty or customer loyalty, and distinguishing between service marketing and product-based marketing, including five or more differences and similarities. An evaluator will ask these basic questions to ensure that the student has understood the content taught during the course.

This new edition balances the theoretical and the practical for advanced undergraduates, those specialising in financial services at postgraduate level, individuals undertaking professional courses such as those offered by the IFS School of Finance, and employees working within the financial services sector. Ennew & Waite draw from global business cases in both B2B and B2C marketing, taking a unique approach in terms of structure by splitting discussion between marketing for acquisition and marketing for retention. This fully updated and revised second edition features: A revised approach to the industry in the light of the global financial crisis, including ethical considerations, consumer confidence issues, and new approaches to regulation New sections on e-commerce and its impact on customer relationships New case studies and vignettes A new companion website to support teaching, including PowerPoint slides, test bank questions, additional cases and cameo video mini-lectures. Financial Services Marketing 2e will help the student and the practitioner to develop a firm grounding in the fundamentals of financial services strategy, customer acquisition and customer development. Reflecting the realities of financial services marketing in an increasingly complex sector, it provides the most up-to-date, international and practical guide to the subject available.
