Directed by David Yates. With Eddie Redmayne, Katherine Waterston, Dan Fogler, Johnny Depp. The second installment of the "Fantastic Beasts" series featuring the adventures of Magizoologist Newt Scamander.

Founded in 1957, Chase's observes its 60th anniversary with the 2018 edition! Users will find everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "One of the most impressive reference volumes in the world."--Publishers Weekly.

Increasingly over the past decade, fan credentials on the part of writers, directors, and producers have come to be seen as a guarantee of quality media making—the “fanboy auteur.” Figures like Joss Whedon are both one of “us” and one of “them.” This is a strategy of marketing and branding—it is a claim from the auteur himself or industry PR machines that the presence of an auteur who is also a fan means the product is worth consuming. Such claims that fan credentials guarantee quality are often contested, with fans and critics alike rejecting various auteur figures as the true leader of their respective franchises. That split, between assertions of fan and auteur status and acceptance (or not) of that status, is key to unravelling the fan auteur. In *A Portrait of the Auteur as Fanboy: The Construction of Authorship in Transmedia Franchises*, authors Anastasia Salter and Mel Stanfill examine this phenomenon through a series of case studies featuring fanboys. The volume discusses both popular fanboys, such as J. J. Abrams, Kevin Smith, and Joss Whedon, as well as fangirls like J. K. Rowling, E L James, and Patty Jenkins, and dissects how the fanboy-fangirl auteur dichotomy is constructed and defended by popular media and fans in online spaces, and how this discourse has played in maintaining the exclusionary status quo of geek culture. This book is particularly timely given current discourse, including such incidents as the controversy surrounding Joss Whedon’s so-called feminism, the publication of *Harry Potter and the Cursed Child*, and contestation over authorial voices in the DC cinematic universe, as well as broader conversations about toxic masculinity and sexual harassment in Hollywood.

The record-breaking records annual is back and packed with more incredible accomplishments, stunts, cutting-edge science and amazing sporting achievements than ever before. With more than 3,000 new and updated records and 1,000 eye-popping photos, it has thousands of new stats and facts and dazzling new features. There is so much to explore inside. Go on a whirlwind tour of the planet’s most amazing places, from the largest swamps to the deepest points on Earth. Find out what happens when you give an octopus a Rubik’s Cube, and why all you need to defend yourself from a crocodile is a rubber band! You’ll also find all your favorite records and categories such as Big Stuff, Collections, Mass Participation and Fun with Food, plus the year’s most significant sporting achievements. Our editors have also taken inspiration this year from the world of superheroes – both fictional and real-world – so look out for our feature chapter charting your favorite caped crusaders in comic books, TV shows and movies. We also meet the real-life record-breakers with genuine superpowers, such as the Canadian strongman vicar who can pull a jumbo jet and an actual cyborg who uses technology to augment his senses. You’ll also learn all about the science of superheroes, such as who the fastest and strongest superheroes would be if they came to life, and who would win in a royal rumble between Superman, Batman, Hulk and Dr Strange! Also new this year is a celebration of the superlative with infographic poster pages that explore the most exciting absolutes, such as the longest, tallest, fastest and heaviest. Does the longest sofa outstretch the longest train? Is the tallest Easter egg bigger than the tallest snowman? Find out in this amazing new edition. You’ll also find these special pages available as free poster downloads at [guinnessworldrecords.com](http://guinnessworldrecords.com)! From science to showbiz via stunts and sports, there are real-life heroes all around us in all shapes and sizes, achieving the extraordinary every day. There’s only one book where you’ll find so many amazing facts all in one place, and that’s Guinness World Records 2018!

The Wizarding World journey continues . . . The powerful Dark wizard Gellert Grindelwald was captured in New York with the help of Newt Scamander. But, making good on his threat, Grindelwald escapes custody and sets about gathering followers, most of whom are

unsuspecting of his true agenda: to raise pure-blood wizards up to rule over all non-magical beings. In an effort to thwart Grindelwald's plans, Albus Dumbledore enlists Newt, his former Hogwarts student, who agrees to help once again, unaware of the dangers that lie ahead. Lines are drawn as love and loyalty are tested, even among the truest friends and family, in an increasingly divided wizarding world. *Fantastic Beasts: The Crimes of Grindelwald* is the second screenplay in a five-film series to be written by J.K. Rowling, author of the internationally bestselling Harry Potter books. Set in 1927, a few months after the events of *Fantastic Beasts and Where To Find Them*, and moving from New York to London, Paris and even back to Hogwarts, this story of mystery and magic reveals an extraordinary new chapter in the wizarding world. Illustrated with stunning line art from MinaLima with some surprising nods to the Harry Potter stories that will delight fans of both the books and films.

The *Beauty and the Beast* Annual 2018 captures the magic and excitement of the live-action movie! As well as telling the film story with photos of favourite scenes, it also features beautiful posters, challenging puzzles, fun quizzes, interesting character facts and much, much more! It's perfect for *Beauty and the Beast* fans aged five and older. Disney's live-action *Beauty and the Beast* film retells the beloved animation through a modern lens, bringing the story and characters to life. This beautiful book is the perfect gift for fans of both the classic animation and live-action movie. About the film: After a twist of fate brings her to an enchanted castle, a fiercely intelligent young woman named Belle becomes prisoner of a terrifying Beast. But it's not long before she finds that the Beast is not all he seems. Soon a different sort of enchantment sparks, and Belle is found within. (c) 2017 Disney Enterprises, Inc.

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays."--NPR's Planet Money.

Bursting with scoops, exclusives, and candid insights from the actors and filmmakers that it wasn't possible to reveal until now, *Movie-Making News* celebrates *Fantastic Beasts and Where to Find Them* with features and snippets on the characters, beasts, costumes, and special effects, plus a host of filmmaking facts to tantalize readers. Written in a breezy, accessible style, and designed to mimic a real newspaper, it will also include a color "Late Edition" that offers early photos and insight into what the future holds for Newt, Jacob, Tina, and Queenie in *Fantastic Beasts: The Crimes of Grindelwald*.

Unleash your inner artist with this deluxe sketchbook featuring creature art from *Fantastic Beasts and Where to Find Them*. *Fantastic Beasts and Where to Find Them* introduced fans to a host of exciting new magical creatures from the wizarding world, imagined and brought to life onscreen by the talented artists working on the films. Now fans can design their own fantastic creations with this deluxe sketchbook, featuring exciting concept art of Nifflers, Thunderbirds, Erumpents, and other creatures from the movies as inspiration. With sturdy construction and sewn binding, this sketchbook lies flat, and the 192 blank, acid-free pages of high-quality heavy stock paper take both pen and pencil nicely to invite a flow of inspiration. Includes a ribbon placeholder, elastic closure, and 6.5 x 9.75-inch back pocket, perfect for holding photographs and mementos.

In *The Book of Chilam Balam of Chumayel*, it is said: Katun 11 Ahau is set upon the mat, set upon the throne, when their ruler is set up.... The heavenly fan, the heavenly wreath and the heavenly bouquet shall descend. The drum and rattle of the lord of 11 Ahau shall resound, when flint knives are set into his mantle.... Ahau 11 is the beginning of the count, because this was the katun when the foreigners arrived. They came from the east when they arrived. Then Christianity also began. The fulfillment of its prophecy is [ascribed] to the east.... This is a record of the things which they did. After it had all passed, they told of it in their [own] words, but its meaning is not plain. Despite the explosion of books, videos and TV shows that claim to penetrate the mystery of "2012"--the numerical shorthand for the completion on December 21, 2012, of the thirteenth B'ak'tun cycle in the Long Count of the Maya calendar--consensus about its meaning seems to remain elusive. The discussion about the significance of 2012 falls generally into two distinct camps: "New Age" authors who see this date as marking the advent of an imminent, universally accelerated psychic/spiritual evolution and professional astronomers and ethnologists who generally discount such metaphysical claims. Christ and the Maya Calendar approaches the significance of 2012 by spiritually penetrating phenomena of today. Drawing on the book of Revelation--which provides an archetype for understanding spiritual history, as well as Rudolf Steiner's Apocalyptic indications--a completely new context for grasping the end date of the Maya calendar emerges. In a November 1919 lecture, Steiner made a stunning remark: "Ahriman skilfully prepares his goal beforehand...[and] will find an important instrument for preparing his incarnation. His incarnation is undoubtedly coming, and this lack of insight will enable him to prepare it triumphantly." The subtitle of this book--"2012 and the Coming of the Antichrist"--refers to this coming incarnation of Ahriman. In fact, Steiner narrowed the timeline for Ahriman's incarnation, saying it would come "before only a part of the third millennium has run its course." Just after Christmas 1919, Steiner revealed more about the impending incarnation of Ahriman, saying almost offhandedly that Ahriman's name might be "John William Smith." With this remark, he clearly pointed to the incarnation occurring in the English-speaking West, while other remarks made it is certain Steiner meant that the incarnation would take place in America. In addition to penetrating the spiritual background of our time in relation to the coming of the Antichrist (the incarnation of Ahriman), the authors explore the significance of the Mexican mysteries and present a wealth of new research with the intention of helping the reader to navigate the Apocalyptic scenario currently shaping up, with the global financial crisis as one important expression. Most important, the authors refer to the Second Coming of Christ as the true event of our time; the incarnation of Satan/Ahriman is its shadow. The authors also show the significance of Divine Sophia as the antidote to negative consequences of Ahriman's incarnation. Finally, as a positive manifestation of the world of spirit in our time, the book discusses the significance of the young anthroposophist, Judith von Halle, who since Easter 2004 has born the stigmata, the visible signs of the wounds of Christ. A Note on the Title The word Antichrist is used in the title and throughout this book, and there are at least two ways in which this word may be understood. The more general use of the word is found in the Bible and in Christian tradition, in which the Antichrist is understood to be the human being who bears the incarnated Satan (also called "Ahriman" in Persian tradition and, in Revelation 13 in the Bible, "The Beast"). This is how the word Antichrist is used in this book. However, this general meaning should be distinguished from another, more specialized use of the word, as found in the spiritual science of Anthroposophy, which often uses the word Antichrist to designate the Sun Demon, known as Sorath in the Hebrew tradition, referred to as the "Beast whose number is 666," and as "the two-horned Beast" in Revelation 13. In this connection, Rudolf Steiner refers to "the False Prophet who represents the teachings of The Beast." The authors of this book discuss the significance of Sorath in chapters 7 and 8. Authors' Note Rudolf Steiner's large body of spiritual research has paved the way for further research encompassing thousands of volumes and numerous projects and social endeavors around the world. This book focuses upon Steiner's indications about the return of Christ, on the one hand, and the coming of the Antichrist, on the other hand. Both events, according to Steiner, are taking place, or will take place, in our time. Our endeavor is to provide a context in which the reader can find help to be able to grasp the larger picture as to

the nature of the time in which we live. The purpose of the book is to draw attention to Christ's return in the realm of life forces known as the etheric, as well as to the impending physical incarnation of Ahriman as the Antichrist. The book is carefully written in the spirit of the age of the clear, critical consciousness of modern humanity to allow people to draw their own conclusions. Thus, it is not a matter of pointing the finger and pronouncing slogan-like statements. Rather, it is a matter of providing a context for the reader to arrive at a deeper grasp of what is taking place in the world at the present time, which can be attained only by way of hard study and the honest endeavor to attain a higher level of cognition. The main point is that the coming of the Antichrist is actually the shadow side of the much greater event of Christ's coming in the etheric realm, whereby Divine Sophia is actively working to help humanity to become aware of this greatest event of our time. Central to Rudolf Steiner's impulse is the development of intuitive faculties, which he named Imagination, Inspiration, and Intuition. This means that, when research is presented, people--through the exercise of their intuitive faculties--come to their own cognition of the truth and do not depend simply upon what is said by those presenting the research. The goal is--and must be--to arrive at truth for oneself, not based upon anyone else's statements. Although, of course, the statements of others can be taken as a starting point for arriving at the truth. However, cognition of the truth depends upon the development of intuitive faculties going beyond intellectual speculation. Since the publication of this book, various pronouncements--many of a speculative nature--have been made concerning the content of the book. The authors fully support the expression of freedom of thought and freedom of speech underlying statements about the book but obviously cannot be held responsible for the conclusions drawn by others from the research presented in this book. Their concern is truth--in the spirit of the words: "You shall know the truth, and the truth shall make you free" (John 8:32). In relation to the Antichrist, called the Beast in chapter 13 of the Book of Revelation, his way (Revelation 13) is prepared by the Prophet of the Beast. Nowhere in this book are statements made identifying specific individuals as the Beast (Antichrist) or as the Prophet of the Beast. Yet, in this age of the Internet, all kinds of pro
